Critical Moments In Qualitative Research:

Critical Moments in Qualitative Research Hilary Byrne-Armstrong, Joy Higgs, Debbie Horsfall, 2001 Demystifies research making it accessible for new researchers Helps the researcher deal with issues such as relationship conflicts structural constraints crises of confidence writing blocks the difficulties of being a student or a supervisor choosing between the multitude of methodologies and methods tells stories that are often silenced in official research documents understands that research is more than a systematic linear process Critical Moments in Executive Coaching Erik de Haan, 2019-05-14 Critical Moments in Executive Coaching examines the change process supported by workplace and executive coaching making use of empirical evidence from the study of a range of real coaching conversations and coaching relationships It is both a complete handbook that for the first time gives access to a global qualitative research base in the field of executive coaching and a look behind the scenes into the practice of both inexperienced and experienced coaches their clients and their commissioners Erik de Haan allows the reader access to the wealth of Ashridge empirical research in this field to date alongside prominent research groups around the world This book provides practitioners with a range of suggestions for their contracts backed up by qualitative and narrative research It looks at what research is already telling us about the value of coaching conversations and the impact of critical moments of change in coaching from the perspectives of coaches clients stakeholders and sponsors The detailed research findings outlined in the book are supplemented throughout by case studies and snapshots of coaching moments as well as practical advice and insights for those working in the field The book also brings forward innovative new models and concepts for coaches which have emerged from research Critical Moments in Executive Coaching offers an evidence and research based approach that will be of great interest to coaches in practice and in training students of both undergraduate and graduate coaching programmes and those who supervise and commission coaching The SAGE Handbook of Qualitative Research Norman K. Denzin, Yvonna S. Lincoln, Michael D. Giardina, Gaile S. Cannella, 2023-06-19 This new edition of the SAGE Handbook of Qualitative Research represents the sixth generation of the ongoing conversation about the discipline practice and conduct of qualitative inquiry As with earlier editions the Sixth Edition is virtually a new volume with 27 of the 34 chapters representing new topics or approaches not seen in the previous edition To mark the Handbook's 30 year history we are pleased to offer a bonus PART VI in the eBook versions of the Sixth Edition this additional section brings together and reprints ten of the most famous or game changing contributions from the previous five editions **Readings in Rhetorical Fieldwork** Samantha Senda-Cook, Aaron Hess, Michael Middleton, Danielle Endres, 2018-09-05 Readings in Rhetorical Fieldwork compiles foundational articles highlighting the development of fieldwork in rhetorical criticism Presenting a wide variety of approaches the volume begins with a section establishing the starting points for the development of fieldwork in rhetorical criticism and then examines five topics Space Public Memory Publics and Counterpublics Advocacy and Activism and Science Technology and Medicine Within these

sections readers evaluate a full spectrum of methods from interviews to oral histories to participant observation This volume is invaluable for advanced undergraduate and graduate students of rhetorical criticism rhetorical fieldwork and qualitative methods looking for a comprehensive overview of the development of rhetorical fieldwork **The SAGE Handbook of Coaching** Tatiana Bachkirova,Gordon Spence,David Drake,2016-11-03 The SAGE Handbook of Coaching presents a comprehensive global view of the discipline identifying the current issues and practices as well as mapping out where the discipline is going The Handbook is organized into six thematic sections Part One Positioning Coaching as a Discipline Part Two Coaching as a Process Part Three Common Issues in Coaching Part Four Coaching in Contexts Part Five Researching Coaching Part Six Development of Coaches It provides the perfect reference point for graduate students scholars educators and researchers wishing to familiarize themselves with current research and debate in the academic and influential practitioners literature on coaching *Handbook of Feminist Research* Sharlene Nagy Hesse-Biber,2007 The topic feminist research has too often been neglected in standard research methods books The Handbook of Feminist Research represents the establishment of a new tradition or paradigm in viewing how the research process is implemented Feminist researchers bring unique epistemological and methodological perspectives to the research process Feminists approach to methodology allows for new types of questions about women s lives and those of other ed marginalized groups to be addressed within their respective fields of research This Handbook stresses the interconnections between epistemology methodology and methods They are not de linked from each other but work together in dynamic ways to produce new knowledge and this openness itself is also characteristic of how feminist researchers approach their work Feminists engage synergistically with all three aspects of the research process epistemology methodology and method Through a synergistic connection between these elements of research epistemology methodology and method we find that feminist research often shapes new research endeavors that are greater than the sum of their parts In other words while traditional research employs these components of research the synergistic engagement of these components in feminist research questions the status quo aiming to raise our consciousness about how we do research Looking at the selections provided in this Handbook we are able to look at feminist research its implementation of synergistic use of epistemology methodology and method and the resulting qualities of feminist research in practice **Since Feeling is First** Jayne Rowe,2005 *The Sport Psychologist* ,1998 *The SAGE Handbook of Tourism Management* Chris Cooper,Serena Volo,William C.
