workers women and children Whereas the subalterns in *The Inheritance of Loss* are disempowered by the brunt of globalisation and neo colonialism the subalterns in *The God of Small Things* face the ire of the deep seated divisions based on caste and gender bias in a postcolonial society In addition this book also deals with contemporary social issues like individual identity in a multicultural world where cultures and nature converge into myriad ways of living It will be of immense benefit to MA and MPhil students all over India as well as to PhD scholars and teachers of English literature both in India and abroad
