Critical Explorations of Crisis Helle Rydstrom, Mo Hamza, Thomas Gammeltoft-Hansen, Vanja Berggren, 2025-09-18

Claims to crisis reverberate across societal and academic discourses as people around the world face dire situations and detrimental challenges Yet the study of crisis tends to remain siloed and therefore oblivious to the multi dimensional nature of crisis which inhibits learning from one type of crisis to the next Bringing together a broad team of contributors this book argues for a new interdisciplinary field of crisis studies Covering a range of cases the book critically explores the intersections of socio economic political climate and health factors to unravel the dynamic and transformative forces of crisis In doing so the book contributes novel insights into human precariousness and resilience in times of crisis shaped by global local inequities post fact discourses and politics

Critical Explorations of Young Adult Literature Victor

Malo-Juvera, Crag Hill, 2019-12-06 Recognizing the determination of a canon as an ongoing process of discussion and debate which helps us to better understand the concept of meaningful and important literature this edited collection turns a critical spotlight on young adult literature YAL to explore some of the most read taught and discussed books of our time By considering the unique criteria which might underpin the classification of a YAL canon this text raises critical questions of what it means to define canonicity and designate certain books as belonging to the YAL canon Moving beyond ideas of what is taught or featured in textbooks the volume emphasizes the role of adolescents choice the influence of popular culture and above all the multiplicity of ways in which literature might be interpreted and reflected in the lives of young readers Chapters examine an array of texts through varied critical lenses offer detailed literary analyses and divergent interpretations and consider how themes might be explored in pedagogical contexts By articulating the ways in which teachers and young readers may have traditionally interpreted YAL this volume will extend debate on canonicity and counter dominant narratives that posit YAL texts as undeserving of canonical status This text will be of great interest to graduate and postgraduate students academics professionals and libraries in the field of young adult literature fiction literacy children s literacy and feminist studies

Great Transition In India: Critical Explorations Chanwahn Kim, Rajiv Kumar, 2020-07-20

India is undergoing a great transition as the post reform generation strikes out into the world The thinking attitudes culture political preferences consumption patterns and ambitions of the post reform generations differ greatly from that of the earlier generations As a consequence the country is also witnessing rapid changes not only on the socio political and economic fronts but also on the humanities front This book seeks to explore great transition in India through interdisciplinary and multidisciplinary perspectives in the fields of Humanities and Social Sciences In doing so it lays foundation not only for understanding India but also in initiating a new chapter for Indian and South Asian studies With contributions by leading scholars the book will be of great interest to students researchers and for anyone wishing to explore India in the fields of Humanities and Social Sciences
