Critical Issues In Police Civil Liability

Roy R. Roberg, Jack L. Kuykendall

Critical Issues In Police Civil Liability:

Critical Issues in Police Civil Liability Victor E. Kappeler, 2006-02-24 Building on the strength of previous editions the fourth edition presents a well conceived clearly stated analysis of complex issues confronting law enforcement officers and administrators Law enforcement duties sometimes place police officers in vulnerable positions regarding their legal obligations and expose them to charges of misconduct Civil liability is an extremely expensive proposition for police officers law enforcement agencies governments and ultimately taxpayers Although substantial resources are often expended by the justice system to resolve liability cases there are benefits to citizens When the government assumes the responsibility to provide service or to protect the public people injured by inadequate performance of those responsibilities deserve compensation innocent parties who suffer injury should have an avenue for redress The potential for litigation has been an impetus for better training and more responsible practices Another excellent resource on the topic Kappelers edited volume of Supreme Court cases Police Civil Liability Second Edition allows students to understand firsthand the legal reasoning behind Court decisions dealing with these same issues Critical Issues in Police Civil Liability Victor E. Kappeler, 1993 This text indicates law administrative practice and police operations have become so intertwined that police administrators can no longer be effective without understanding the principles of civil liability The text addresses the impact of judicial decisions on issues confronting police officers such as use of force high risk drug enforcement operations abandoning citizens in dangerous places negligent operation of emergency vehicles failure to arrest intoxicated drivers negligence at accident scenes and death and suicide in detention Findings of police science research are incorporated into legal discussions to place the law in a context meaningful to police officers and executives The text also covers the scope and impact of police civil liability fundamentals of State tort law and Federal liability law and shifting concepts of police civil liability and law enforcement A list of cases is included Police Civil Liability Victor E. Kappeler, 2006-02-24 The thirty five Supreme Court cases in the second edition provide a solid accessible foundation for understanding civil liability law and its impact on policing operations and management This convenient resource also includes a brief review of the basics of judicial reasoning and a short introduction on how to brief cases These materials and the discussion questions at the end of each section help readers understand the process of legal inquiry and analysis and the changing nature of police civil liability law An excellent complement to Kappelers text Critical Issues in Police Civil Liability Fourth Edition **Critical Issues In Crime and Justice** Albert R. Roberts, 2003-01-02 Critical Issues in Crime and Justice Second Edition provides a comprehensive examination of current developments and controversies confronting the American criminal justice system An overview of contemporary criminal justice trends provides the context for interpreting the critical issues raised throughout this engaging volume Editor Albert R Roberts and a prominent group of scholars and criminal justice professionals examine both the successes and failures of modern law enforcement juvenile justice the courts and correctional systems Developed for courses

on Critical Issues in Criminal Justice Special Issues in Criminal Justice and Contemporary Topics in Criminal Justice Critical Issues in Crime and Justice Second Edition is also an excellent supplementary text for introductory Criminal Justice and related courses

An Introduction to American Policing Dennis J. Stevens, 2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system criminology and law enforcement knowledge to the progress of the police community It is the perfect resource for a Police Science course

Civil Liability in Criminal Justice Darrell Lee Ross, 2003

Private Security and the Law Charles Nemeth, 2004-10-22 Private Security and the Law Third Edition is a textbook analysis of significant practices in the security industry that relate to law regulation licensure and constitutional dilemmas according to case and statutory authority It is a treatise on the state of the law that governs the security industry and its operatives The book fills the void that an increasing number of institutions are seeking as they expand their security programs in response to the growing demand for security education This book delivers up to date information on the legal requirements witnessed by most security firms It also explores the liability problems common to security operations including negligence and tortious liability civil actions commonly litigated and strategies to avoid troublesome causes of action that effect business efficiency From another angle the work examines the constitutional and due process dimensions of private security work and affords the reader a look at how case law applies certain remedies to wronged parties Recent cases and the trends sure to follow are highlighted throughout the text Finally the text is filled with checklists data and other useful information that aids the security practitioner in applying theory to practice This book will appeal to students in security and criminal justice programs private security consultants corporate security managers and lawyers Up to date case law analysis provides cutting edge legal treatment of evolving standards Complicated material is presented in a down to earth readable style perfect for the student of security or security professional Over 200 tables and illustrations allow the reader speedy access to precise data

Civil Liability Issues in Corrections Darrell Lee Ross, 2005 Annually prisoners file more than 25 000 lawsuits against correctional personnel over a wide range of confinement issues This book has been designed to keep personnel and students abreast of such litigation by addressing the varying topics legal principles and standards that have been developed by the United States Supreme Court It provides an analysis of the civil liability issues that surface from confining detainees in jails and prisoners in adult institutions Discussion of the trends in prisoner litigation for the past forty years is presented combined with a legal analysis of the evolution of prisoners rights and an examination of the impact of the Prison Litigation Reform Act of 1996 Ross also provides an assessment of the Federal Court system and a discussion of how Section 1983 lawsuits are litigated Civil Liability Issues in Corrections reviews over 100 United States Supreme Court decisions and provides an assessment of numerous lower courts decisions in applying the Court s standards in fifteen common prisoner litigation issues Emerging themes are the use of force cross gender supervision deaths in custody medical psychiatric care and employee litigation against correctional managers the book integrates case analysis and prior liability

research in these correction content areas Also included are an examination of line level officer and administrative liability responsibilities a discussion on how to build a defense to future litigation and a look at policy training and supervisory concerns

THE POLICE OFFICER'S GUIDE TO CIVIL LIABILIT Carl J. Franklin,1993-01-01 For the first time a comprehensive text has brought together the major topics concerning police liability It is written from the perspective of a ten year police veteran written by a cop for cops It will help the average cop understand and cope with a frightening area of today s society as well as help current and future police administrators under stand how to deal with civil liability Today s police officer is twenty times more likely to be sued than to be shot Yet the average police officer has received a hundred times more training on fire arms use than in learning how to protect oneself from the civil lawsuit With the number of lawsuits against individual officers and departments on the rise we can no longer ignore the need to educate ourselves against the threat of civil liability This book acts as a road map of basic training to find the way through the labyrinth of our civil justice system No other book attacks the problem of understanding the growing theories of police civil liability Whether used in a college classroom academy or personal library this is must reading for every police officer working today Those who arm themselves in this knowledge area can survive the horrendous attacks by money hungry litigants and will be better prepared to lead the law enforcement community into the next century

Critical Issues in Policing Roger G. Dunham,Geoffrey P. Alpert,1993 A reader to accompany the textbook Policing Urban America the pair emphasizing the importance of involving community members in decisions concerning law enforcement including tasks objectives and goals Some articles have been updated from the 1997 third edition first in 1989 and some new ones have been added c Book News Inc
