## **Critical Management Research In Eastern Europe Managing The Transition:**

**Critical Management Research in Eastern Europe** M. Kelemen, M. Kostera, 2002-10-23 The process of transition in Eastern European countries is one in which ideas of the past and present both local and Western meet and conflict Presenting a wealth of new ethnographic and interview based research Critical Management Research in Eastern Europe argues that the reform process in Central and Eastern Europe has been dominated by the traditional Western view of management practice However this approach overlooks the fact that certain managerial and organizational practices developed in Central and Eastern Europe may still be appropriate and indeed effective within this particular setting The book brings together authors from both East and West Europe to evaluate how the two systems can best be harmonized which is particularly important in the context of EU enlargement

The Transformation of Property Regimes and Transitional Justice in Central Eastern Europe Liviu Damşa, 2017-01-03 This volume examines the property transformations in post communist Central Eastern Europe CEE and focuses on the role of restitution and privatisation in such transformations It argues that the theorisation of restitution in post communist CEE is incomplete in the transitional justice scholarship and in the literature on correction of historical wrongs The book also argues that for a more complete theorisation of post communist restitution the transformations of property in post communist societies ought to be studied in a more holistic way The main legal vehicles used for such transformations privatisation and restitution should not be studied separately and in abstract but in their reciprocal relationship and in connection to the dimension of justice which each could achieve Finally the book integrates privatisation in a theory of post communist transformation of property

**Decentralization and Local Development in South East Europe** W. Bartlett, S. Malekovic, V. Monastiriotis, 2013-02-21 Decentralisation is changing the face of South East Europe This book provides practical analysis of the devolutionary measures reshaping post Communist economies Using case studies from Croatia the former Yugoslavia Albania and more this collection offers valuable insights into political and fiscal redistribution

*Central and East European Migrants' Contributions to Social Protection* S. Maatsch, 2012-12-15 In 2001 Germany and Austria became the last EU states to lift transnational controls restricting access to their labour markets for citizens of ex communist countries This book challenges anti immigration discourses to show that given the high percentage of skilled immigrants it is the sending rather than the receiving countries who lose out

*Financial Participation of Employees in the EU-27* J. Lowitzsch, 2009-09-23 This book aims to systematically assess laws and practices close gaps that currently prevent a full profiling of financial participation provide a description of individual countries against the background of comparable scores for the EU 27 and to promote a common platform for financial participation within the European Union

**The Technological Role of Inward Foreign Direct Investment in Central East Europe** J. Stephan, 2013-09-27 Foreign direct investment FDI assumed a prominent role in Central East Europe CEE early on in the transition process Foreign investors were assigned the task of restructuring markets providing capital and

knowledge for investment in technologically outdated and financially ailing firms      Economics of Institutional Change  
Tomasz Mickiewicz, 2010-08-11 This book a second edition has been significantly expanded and updated It revisits the  
process of institutional change its characteristics determinants and implications for economic performance      **Russia's  
Development Problem** Hans van Zon, 2008-10-31 This book argues that Russia has struggled under autocratic power and  
that this continues to affect economic development today A cult of power has underpinned legal nihilism distrust secrecy and  
aversion to transparency and accountability Informal institutions are more important than formal institutions and influence  
macroeconomic development Property and power are merged while property rights are weakly developed Russia does not  
only face market failure but also hierarchy and network failure A system of values and social practices with deep historic  
roots constitutes perhaps the most formidable obstacle to social and economic development By exploring the operating  
mechanisms of the Russian economy in a comparative perspective and with fascinating insights into how Russian path  
dependence continues to exert an influence on modern day Russia and limit its development this book is essential reading for  
all those interested in the Russian economy and modern Russian history **BOOK JACKET**      *The Transformation of State  
Socialism* David Stuart Lane, David Lane, 2007-09-12 This book examines the impact of transformation on former state  
socialist countries and explores successes failures and alternative regimes      **Industrial Competitiveness and  
Restructuring in Enlarged Europe** Iraj Hashi, Paul J. Welfens, Anna Wziatek-Kubiak, 2007-10-17 This book is about changes  
in the competitiveness and the restructuring of manufacturing industries in the three leading transition economies of Central  
Europe Poland Hungary and the Czech Republic their integration into the European Union and their catching up with the old  
member states in the pre accession period      **Forthcoming Books** Rose Arny, 2003      Organizational Epics and Sagas  
Monika Kostera, 2008-06-25 The second in a trilogy on myth making in our organizational lives this title explores  
organizational virtues and vices and organizational sagas to reveal an archetypal dimension of organizations      The British  
National Bibliography Arthur James Wells, 2005      *Subject Guide to Books in Print* , 1996      *Current Research in Britain*  
, 1998      *Business Research and Management Challenges* Sándor Péter, 1994      **East European Enterprises in the  
Process of Transformation to a Market Economy** Mirosław Szreder, 1998 Since 1989 enormous changes have been  
experienced in Eastern and Central Europe by people and institutions This book analyses the transition process from the  
perspective of enterprises in Bulgaria Poland the Slovak Republic and Russia Various aspects of a firm s activities in  
transition are discussed by a distinguished group of contributors The analysed issues involve social impact of economic  
restructuring and privatisation in Russia transformation of organisational and managerial effectiveness evolution of human  
resource management development of small enterprises and entrepreneurship      **Books in Print Supplement** , 2002  
**Directory of Published Proceedings** , 2002      *Social Science Japan* , 2005
