**The Tagore-Gandhi Debate on Matters of Truth and Untruth** Bindu Puri, 2014-11-25 Between 1915 and 1941 Tagore 1861 1941 and Gandhi 1869 1948 differed and argued about many things of personal national and international significance satyagraha non cooperation the boycott and burning of foreign cloth the efficacy of fasting as a means of resistance and Gandhi s mantra connecting swaraj and charkha The author tracks the development of this dialogue and argues that the debate was about more fundamental issues such as the nature of truth and swaraj freedom and the possibilities of untruth that Tagore saw in Gandhi s movements for truth and freedom Puri shows that the differences between the two men s perspectives came from differently negotiated relationships to and understandings of tradition and modernity Tagore was part of the Bengal renaissance and powerfully influenced by the idea that the Enlightenment consisted in the freedom of the individual to reason for herself Gandhi on the other hand remained close to the Indian philosophical tradition which linked individual freedom to moral progress Puri points out that Tagore cannot however be unreflectively assimilated to the Enlightenment project of Western modernity for he came fairly close to Gandhi in rejecting the anthropocentrism of modernity and shared Gandhi s belief in an enchanted cosmos The only single authored volume on the Tagore Gandhi debate this book is a welcome addition to the existing literature
