

# Criticism of Hawthorne studies

- Critics felt that the conclusions were supported by little evidence.
- The relationship made between satisfaction of workers and productivity was too simple.
- The studies failed to focus on the attitudes of employees.

## Critics On Hawthorne:

**The Recognition of Nathaniel Hawthorne** Benjamin Bernard Cohen, 1969 October 2001      **Nathaniel Hawthorne** John L. Idol, Buford Jones, 1994-07-29 From the self withdrawn Fanshawe through the posthumously issued Dr Grimshaw's Secret this compilation of reviews and notices traces Nathaniel Hawthorne's rise from obscurity to world renown as a writer placed in the ranks of Carlyle Dickens and Shakespeare Reviews by Henry Fothergill Chorley Henry Wadsworth Longfellow Edgar Allan Poe Herman Melville Margaret Fuller Elizabeth Palmer Peabody Edwin Whipple Henry James Edith Simcox William Dean Howells and many others respond to Hawthorne's tales romances notebooks and fragmentary works in efforts to capture and define the nature of Hawthorne's mind and the quality of his art      **Critics on Hawthorne** Thomas J. Rountree, 1972      **Nathaniel Hawthorne and the Critics** Jeanetta Boswell, 1982      **The Entanglements of Nathaniel Hawthorne** Samuel Coale, 2011 The process of Hawthorne's scholarly canonization and the ongoing critical and cultural discourse on his works Nathaniel Hawthorne celebrated in his own day for sketches that now seem sentimental came only gradually to be fully appreciated for what his friend Herman Melville diagnosed as the power of blackness in his fiction the complex moral grappling with sin and guilt By the 1850s Hawthorne had already been accepted into the American canon and since then his works especially *The Scarlet Letter* have remained ubiquitous in American culture Along with this has come an explosion of Hawthorne criticism from New Criticism New Historicism and Cultural Studies to queer theory feminist scholarship and transatlantic criticism that shows no signs of slowing This book charts Hawthorne's canonization and the ongoing critical discourse drawing on two senses of entanglement First the sense from quantum physics which allows us to see what were once seen as strict dualisms in Hawthorne as more complex relations where the poles of the would be dualities play off of and affect each other second the sense of critics being tangled up in caught up in Hawthorne the man and his work and in previous critics views of him Charting the course of Hawthorne criticism as well as his place in popular culture this book sheds light also on the culture in which his reception has occurred Samuel Chase Coale is Professor of American Literature and Culture at Wheaton College Norton Massachusetts      *Nathaniel Hawthorne* Harold Bloom, 2009 Presents a brief biography of Nathaniel Hawthorne thematic and structural analysis of his works critical views and an index of themes and ideas      *Nathaniel Hawthorne* Gary Scharnhorst, 1988 Approximately 2600 entries including reviews news reports a selection of obituaries and reviews of all 19th century book length studies of Hawthorne's life and literary career      **Nathaniel Hawthorne** Joseph Donald Crowley, 1975      **Hawthorne** ,      **Nathaniel Hawthorne, Life, Work, and Criticism** Kenneth Dauber, 1986      *The Critic : Hawthorne Number, July 1904* , 1904      **The Scarlet Letter** Nathaniel Hawthorne, 2009 A key figure in the development of American literature Nathaniel Hawthorne was also profoundly influenced by his ancestors and the Christianity that underscored their Puritan heritage A literary classic *The Scarlet Letter* presents a profound meditation on the nature of sin repentance and redemption and on how such Christian concepts may be integrated

into American democracy This edition features an introduction by Aaron Urbanczyk chair of the literature department at Southern Catholic College that explores themes in *The Custom House* that guide the reader's interpretation of the text of the novel and several critical articles on the work's major symbols and Christian themes Mary R Reichardt the editor of this edition is a professor of literature in the Catholic Studies department at the University of St Thomas in St Paul MN

**Critics on Hawthorne. Edited by Thomas J. Rountree. (Second Printing.).** Thomas Jefferson ROUNTREE,1973

*Nathaniel Hawthorne's Tales* Nathaniel Hawthorne,1987 The text of this Norton Critical Edition is comprised of twenty one of Hawthorne's most noteworthy tales and sketches reprinted from the best collections available Each tale is fully annotated

**The French Face of Nathaniel Hawthorne** Michael Anesko,2020-06-22 Most students of American literature probably can recall the playful French nom de plume Monsieur de l Aub pine that Nathaniel Hawthorne occasionally employed to disguise some of his early attempts at authorship But very few will know that Monsieur de l Aub pine enjoyed a surprisingly intelligent critical reception in France during his lifetime No fewer than six often startling essays about the American author appeared in leading French periodicals from 1852 to 1864 *The French Face of Nathaniel Hawthorne* edited by Michael Anesko and N Christine Brookes recuperates these lost or forgotten critical assessments making available to English readers for the first time the full texts of these extraordinary contemporaneous French critical essays Besides offering elegantly rendered and helpfully annotated translations of the essays Anesko and Brookes analyze them in relation to their immediate historical context and examine their unexpected relevance to later critical trends and arguments Literary scholarship in our own time calls more and more for the enlargement of perspective and the adaptation of our reading practices to dismantle the narrower limits of nationalist traditions *The French Face of Nathaniel Hawthorne* is a remarkable body of work that can help scholars better understand

**The Scarlet Letter Followed by Hawthorne of Henry James** Henry James,Nathaniel Hawthorne,2017-01-24 *The Scarlet Letter* A Romance is an 1850 work of fiction in a historical setting written by American author Nathaniel Hawthorne The book is considered to be his masterwork Set in 17th century Puritan Boston Massachusetts during the years 1642 to 1649 it tells the story of Hester Prynne who conceives a daughter through an affair and struggles to create a new life of repentance and dignity Throughout the book Hawthorne explores themes of legalism sin and guilt Most literary critics praised the book but religious leaders took issue with the novel's subject matter Orestes Brownson complained that Hawthorne did not understand Christianity confession and remorse A review in *The Church Review* and *Ecclesiastical Register* concluded the author perpetrates bad morals On the other hand 20th century writer D H Lawrence said that there could not be a more perfect work of the American imagination than *The Scarlet Letter* Henry James once said of the novel It is beautiful admirable extraordinary it has in the highest degree that merit which I have spoken of as the mark of Hawthorne's best things an indefinable purity and lightness of conception One can often return to it it supports familiarity and has the inexhaustible charm and mystery of great works of art Hawthorne is

a book of literary criticism by Henry James published in 1879 The book was an insightful study of James great predecessor Nathaniel Hawthorne James gave extended consideration to each of Hawthorne s novels and a selection of his short stories He also reviewed Hawthorne s life and some of his nonfiction The book became somewhat controversial for a famous section where James enumerated the items of novelistic interest he thought were absent from American life This is the only book length study James wrote about a fellow novelist and it is not surprising he picked Hawthorne for such extended treatment The tradition Hawthorne began in American literature the morally intense exploration of the universality of guilt and the ambiguities of human choice was clearly carried on by James Although James expressed misgivings about some of Hawthorne s more extravagant symbolism and heavy reliance on allegory he shared his predecessor s constant interest in moral quandaries divided loyalties and the inevitable conflicts between imaginative protagonists and intractable reality James also shared Hawthorne s passion for careful craftsmanship and thorough unsparing analysis of character James ranking of Hawthorne s novels from *The Scarlet Letter* down to *The Marble Faun* has generally been accepted by later critics Although James at least in his earlier work was more of a consistent realist than Hawthorne the later novelist s work always betrays the influence of his predecessor s tendency towards metaphorical expression In James final novels such as *The Golden Bowl* this influence becomes even more pronounced in extended metaphor and complex symbolism By and large James book has enjoyed favorable reviews from later critics They have usually recommended the book as one of permanent interest and still well worth reading Critics have disagreed about how closely James followed Hawthorne s example though there s general agreement that the influence was considerable especially as James fiction became more symbolic and dominated by psychological introspection

**Ruined Eden of the Present** Gary Richard Thompson, Virgil Llewellyn Lokke, 1981 A recurrent idea in Darrel Abel s criticism of the works of Hawthorne gives this volume its title The idea of a fallen world and its potential for partial redemption through art and the art of criticism is a theme that weaves in and out of the sixteen essays The volume as a whole displays an explicit and implicit concern with critical approaches and reflects an awareness of the fictiveness of critical resolutions in a world in which boundaries are constantly under challenge for example those which divide textuality from contextuality This collection of essays explores the problems the practical critic and teacher has had to face in the shifts in taste assumptions and methodology in the moves from moral and historical criticism to the New Criticism and to the newer linguistic and semiotic criticism

**The Nathaniel Hawthorne Review**, 1988 Mosses from an Old Manse and Other Stories Nathaniel Hawthorne, 2018-05-03 Mosses from an Old Manse and Other Stories by Nathaniel Hawthorne *Mosses from an Old Manse* is a short story collection by Nathaniel Hawthorne first published in 1846 After the book s first publication Hawthorne sent copies to critics including Margaret Fuller Rufus Wilmot Griswold Edgar Allan Poe and Henry Theodore Tuckerman Poe responded with a lengthy review in which he praised Hawthorne s writing but faulted him for associating with New England journals Ralph Waldo Emerson and the Transcendentalists He wrote Let him mend his

pen get a bottle of visible ink come out from the Old Manse cut Mr Alcott hang if possible the editor of The Dial and throw out of the window to the pigs all his odd numbers of the North American Review A young Walt Whitman wrote that Hawthorne was underpaid and it was unfair that his book competed with imported European books He asked Shall real American genius shiver with neglect while the public runs after this foreign trash Generally most contemporary critics praised the collection and considered it better than Hawthorne s earlier collection Twice Told Tales     *Hawthorne* Lawrence Sargent Hall, 1944

## Critics On Hawthorne Introduction

In today's digital age, the availability of Critics On Hawthorne books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Critics On Hawthorne books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Critics On Hawthorne books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Critics On Hawthorne versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Critics On Hawthorne books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Critics On Hawthorne books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Critics On Hawthorne books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Critics On Hawthorne books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Critics On Hawthorne books and manuals for download and embark on your journey of knowledge?
