Croat Question:

Politics of Ethnic Cleansing Klejda Mulaj, 2008-02-22 This book sheds light on the causes and consequences of ethnic cleansing in the twentieth century Balkans with particular reference to the former Yugoslavia in the 1990s In providing a thorough and consistent analysis of large scale episodes of ethnic cleansing in modern Balkan history Politics of Ethnic Cleansing fills an important gap in existing conflict and peace studies literature Offering a top down interpretation of the expulsion of ethno national minorities as a means of state building the analysis rests on a fresh multidimensional approach which provides an eclectic discussion of nationalism politics and security This book establishes an agenda for policy making and future research by making specific proposals for clearing up the present ambiguities in international humanitarian law related to ethnic cleansing rethinking humanitarian intervention with a view to restoring the long term viability of the target states and repudiating the argument for forced homogenization as a conflict resolution strategy *The Croat Question* Jill A. Irvine, 1993-01-18 Explores the historical roots of the conflict in Yugoslavia and provides a background to understanding the entrenched antagonism between Serbs and Croats Its particular focus is the Yugoslav Communist Party's attempts to resolve this problem in the process of remaking the state

Serbia Marko Attila Hoare, 2024-02-08 This is the first in depth English language history of modern Serbia in nearly half a century It covers the period from the Serbian state's revolutionary rebirth in the early nineteenth century under the rebel leaders Kara or e Petrovi and Milo Obrenovi its turbulent history of wars uprisings and dynastic rivalries the triumph of Yugoslav unification in 1918 and the catastrophe of occupation by Nazi Germany in 1941 It shows how the birth of the modern nation state involved the creation of a new elite dynasty army and bureaucracy whose rule over the peasantry generated a popular resistance that would ultimately take form in Nikola Pa i s mighty People's Radical Party The resulting struggle between elitist Westernisers and pro Russian populists became entwined with the struggle for pan Serb and Yugoslav liberation and unification These causes came together with the Sarajevo assassination of 1914 which triggered the First World War Existing histories of the Yugoslav kingdom that emerged from that war focus on the national conflict between Serbs Croats Bosnian Muslims and others but Marko Attila Hoare challenges this narrative He shows how the new kingdom's politics continued to be dominated by the ongoing internal Serbian power struggle bringing renewed disaster to Yugoslavia and its peoples
