Croch House:

A Stitch in Time: Evan Fleming, 2022-05-23 Following the Baron's plan for the girls to learn of the family history, Nayla uses her powers to open a hidden crypt under the chapel at Capitol House. The story of the Baron's family unfolds as Grace, Amy, Claire, and Parilee explore the crypt and make surprising discoveries that reveal the girls' heritage. Readers will follow the exciting exploits of Baron I, the girls' great grandfather, as Grace reads aloud from his journals. His narrow escapes from assassinations, sword fights, and duels, along with his sailing adventures and meeting his future bride, are all chronicled in his writings. The author brings together imagination and history in a unique way in the telling of the French King's son's journey to America. The girls, grateful to become aware of their heritage and fascinated by the artifacts, decide they want to know more. Further discoveries and adventures follow as Grace, Claire, Amy, and Matt, accompanied by their young guardians, travel to Europe following clues left by the Baron's ancestors in a quest for hidden treasures. [A Stitch in Time](#) Laurie Campbell, 2011-12-22 You rarely hear men talk about juggling children, work, and household today. Imagine if a nineteenth-century man was in that fix. What would he do? They didn't have the resources we have today. This book is a look at Otto von Goff and his daughter Luise during the time he made a contract to sell his cattle to France. That had never been done before. Railways were just starting, and Otto set out to take advantage of it. Unfortunately, his wife Hildegard is ill and hasn't paid the household staff, so Otto has to get the books without letting his guests know he's involved in the household. In addition, his daughter is sick and lonely, wanting his attention and someone to play with. He lets them go to his sorrow. He concentrates on the deal, letting his household and his daughter fall aside, thinking he'll make up later. His mother taught him: A stitch in time saves nine, and now he has to deal with the consequences. **Home Needlework Magazine**, 1916 **Woman's Home Companion**, 1910 *Better Homes and Gardens Crochet on the Go* Meredith Corporation, 2007-09 Life can be hectic, but there's always time to do something enjoyable and rewarding like crochet.
