Cromwell & Communism Eduard Bernstein, 1969 *Cromwell [and] Communism* Eduard Bernstein (Théoricien du socialisme, Allemagne), 1963 *Literature and Utopian Politics in Seventeenth-Century England* Robert

Appelbaum, 2002-04-04 Hundreds of writers in the English speaking world of the seventeenth century imagined alternative ideal societies Sometimes they did so by exploring fanciful territories such as the world in the moon or the nations of the Antipodes but sometimes they composed serious disquisitions about the here and now proposing how England or its nascent colonies could be conceived of as an Oceana or a New Jerusalem This book provides a comprehensive view of the operations of the utopian imagination in literature from 1603 to the 1660s Appealing to social theorists literary critics and political and cultural historians this volume revises prevailing notions of the languages of hope and social dreaming in the making of

British modernity during a century of political and intellectual upheaval *Religion and the Cold War* Philip Emil

Muehlenbeck, 2012 The influence of faith in the conflicts that defined the Cold War *Reclaiming the Enlightenment*

Stephen Eric Bronner, 2004-10-06 This book tackles an obvious yet profound problem of modern political life the disorientation of intellectuals and activists on the left As the study of political history and theory has been usurped by cultural criticism a confusion over the origins *The Journal of the Friends' Historical Society* Norman Penney, 1929

The Bloodless Boy Robert J. Lloyd, 2021-10-11 A New York Times Best New Historical Novel of 2021 Potent fast paced The New York Times Book Review Wonderfully imagined and wonderfully written Superb Lee Child Part Wolf Hall part The Name of the Rose a riveting new literary thriller set in Restoration London with a cast of real historic figures set against the actual historic events and intrigues of the returned king and his court The City of London 1678 New Year's Day Twelve years have passed since the Great Fire ripped through the City Eighteen since the fall of Oliver Cromwell and the restoration of a King London is gripped by hysteria and rumors of Catholic plots and sinister foreign assassins abound When the body of a young boy drained of his blood is discovered on the snowy bank of the Fleet River Robert Hooke the Curator of Experiments at the just formed Royal Society for Improving Natural Knowledge and his assistant Harry Hunt are called in to explain such a ghastly finding and whether it's part of a plot against the king They soon learn it is not the first bloodless boy to have been discovered Meanwhile that same morning Henry Oldenburg the Secretary of the Royal Society blows his brains out and a disgraced Earl is released from the Tower of London bent on revenge against the King Charles II Wary of the political hornet's nest they are walking into and using scientific evidence rather than paranoia in their pursuit of truth Hooke and Hunt must

discover why the boy was murdered and why his blood was taken The Bloodless Boy is an absorbing literary thriller that introduces two new indelible heroes to historical crime fiction It is also a powerfully atmospheric recreation of the darkest corners of Restoration London where the Court and the underworld seem to merge even as the light of scientific inquiry is starting to emerge
