Crosscurrents Silhouette Intimate Moments No 263:

Beneath the Surface Linda Turner, 2010-08-01 When it came to men definitely the former But Abby Saunders was certainly aware that when it came to her boss and his mysterious possibly unsavory dealings it could well be the latter So when she was introduced to crack crime reporter Logan St John she was relieved After all it was unlikely that the still grieving if gorgeous widower would be looking for a relationship and maybe he could help her figure out how much trouble she was really in As for Logan his no strings attached connection with Abby was about to hit a snag Oh he could see how much danger she was in spotting danger was his area of expertise after all Funny how he completely missed the signs around his heart

A Younger Man Linda Turner, 2010-05-01 To Do after High School graduation 1 Go to college 2 Fall in love with the man of my dreams 3 Get married 4 Have two kids one at a time Natalie Bailey may not have been very good with numbers but even she knew that she wasn't exactly doing things in the conventional order Because she'd skipped college married early and at age thirty three found herself a divorced mother of five year old twins and a college freshman to boot Not only that but it looked like the man of her dreams had just walked in the door except he was her younger if irresistible professor Maxwell Sullivan The last man she should be falling for based on her plan But you know what they say about plans

Deadly Exposure Linda Turner, 2010-09-01 A PICTURE IS WORTH A THOUSAND WORDS But the killer Lily Fitzgerald had unknowingly photographed only used four You're going to die The beautiful photographer didn't want to depend on anyone for help especially not pulse-stopping jade-eyed cop Tony Giovanni But now her only protection from the man who threatened her life was the man who threatened her heart Tony believed that good fences made good neighbors but Lily's loving trusting ways were wreaking havoc on his carefully constructed emotional barriers He needed to focus on winning custody of his son not losing control to a vulnerable vixen who claimed she was in danger Was Lily's life really in peril And could he safeguard her from himself
