**The Crossing** Sonia Berman,1980      The Crossing Adano to Catonsville Sonia Berman,1995-08-22 Evaluates producer Haywards s 1902-71 contribution to American theater and finds that his work is not being mounted today more because of the cost of such extravaganzas than because of any irrelevance in his themes of freedom vs oppression integrity vs ambition and justice vs injustice Includes a quick guide to all his productions and a survey of biographical data Annotation copyright by Book News Inc Portland OR      **Reflected Glory** Sally Bedell Smith,2013-11-05 A biography of Pamela Churchill Harriman based on over 800 interviews and archival research charting her life from marriage to Churchill s son Randolph through two further marriages to her eventual appointment as US Ambassador to France      **Revel with a Cause** Stephen E. Kercher,2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times **Revel with a Cause** is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like MAD magazine improvisational theater groups such as Second City the motion picture Dr Strangelove and TV shows like That Was the Week That Was Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity and our heated racial crisis could be productively addressed A vibrant and probing look at some of the most influential comedy of mid twentieth century America **Revel with a Cause** belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture      **Kate** William J. Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy s sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the

Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty
