Narratives Crossing Borders Bo G. Jansson, Herbert Jonsson, Lovisa Berg, Chatarina Edfeldt, 2021 Which is the identity of a traveler who is constantly on the move between cultures and languages What happens with stories when they are transmitted from one place to another when they are retold remade translated and re translated What happens with the scholars themselves when they try to grapple with the kaleidoscopic diversity of human expression in a constantly changing world These and related questions are if not given a definite answer explored in the chapters of this anthology Its overall topic narratives that pass over national language and ethnical borders include studies about transcultural novels poetry drama and the narratives of journalism There is a broad geographic diversity not only in the anthology as a whole but also in each of the single contributions This in turn demand a multitude of theoretical and methodological approaches which cover a spectrum of concepts from such different sources as post colonial studies linguistics religion aesthetics art and media studies often going beyond the well known Western frameworks The works of authors like Miriam Toews Yoko Tawada Javier Moreno Leila Abouela Marguerite Duras Kyoko Mori Francesca Duranti Donato Ndongo Bidyogo R bi Hideo and Fran ois Cheng are studied from a variety of perspectives Other chapters deal with code switching in West african novels border crossing in the Japanese noh drama translational anthologies of Italian literature urban legends on the US Mexico border migration in German children s books and war trauma in poetry Most of the chapters are case studies and may thus be of interest not only for specialists but also for the general reader

Encountering Children's Literature Jane M. Gangi, 2004 In this text Jane M Gangi gives us a new perspective on how integrating the fine arts and literature fosters the active participation and in depth understanding that is as important for children as it is for teachers The heart of the book is a comprehensive treatment of children s literature with a strong emphasis on multicultural and international literature Jaquette

Trust beyond Borders Markus M. L. Crepaz, 2010-04-23 Will immigration undermine the welfare state Trust beyond Borders draws on public opinion data and case studies of Germany Sweden and the United States to document the influence of immigration and diversity on trust reciprocity and public support for welfare programs Markus M L Crepaz demonstrates that we are at least in some cases capable of trusting beyond borders of expressing faith in our fellow humans and extending help without regard for political classifications In Europe the welfare state developed under conditions of relative homogeneity that fostered high levels of trust among citizens while in America anxiety about immigration and diversity predated the emergence of a social safety net Looking at our new era of global migration Crepaz traces the renewed debate about us versus them on both sides of the Atlantic and asks how it will affect the public commitment to social welfare Drawing on the literatures on immigration identity social trust and the welfare state Trust beyond Borders presents a novel analysis of immigration s challenge to the welfare state and a persuasive exploration of the policies that may yet preserve it Crepaz contributes much to our knowledge

about the link between immigration and social welfare certainly one of the central issues in current national and international politics Stuart Soroka Associate Professor of Political Science and William Dawson Scholar McGill University

Finally A book that challenges the growing view that ethnic diversity is the enemy of social solidarity It addresses an issue of intense debate in Western nations it takes dead aim at the theoretical issues at the center of the controversy it deploys an impressive array of empirical evidence and its conclusions represent a powerful corrective to the current drift of opinion Trust beyond Borders will rank among the very best books in the field Keith Banting Queen s Research Chair in Public Policy Queen s University Do mass immigration and ethnic diversity threaten popular support for the welfare state Trust beyond Borders answers no Marshaling an impressive array of comparative opinion data Crepaz shows that countries with high levels of social trust and universal welfare state arrangements can avoid the development of the welfare chauvinism that typically accompanies diversity Gary Freeman Professor and Department Chair Department of Government University of Texas at Austin Markus M L Crepaz is Professor in the Department of International Affairs at the University of Georgia and Associate Director of the Center for the Study of Global Issues GLOBIS
