Crossing The Unknown Sea Work As A Pilgrimage Of Identity:

Crossing the Unknown Sea David Whyte, 2002-04-02 *Crossing the Unknown Sea* is about reuniting the imagination with our day to day lives It shows how poetry and practicality far from being mutually exclusive reinforce each other to give every aspect of our lives meaning and direction For anyone who wants to deepen their connection to their life s work or find out what their life s work is this book can help navigate the way Whyte encourages readers to take risks at work that will enhance their personal growth and shows how burnout can actually be beneficial and used to renew professional interest He asserts that too many people blindly trudge through a mediocre work life because so many busy tasks prevent significant reflection and analysis of job satisfaction People often turn to spiritual practice or religion to nurture their souls but overlook how work can actually be our greatest opportunity for discovery and growth *Crossing the Unknown Sea* combines poetry gifted storytelling and Whyte s personal experience to reveal work s potential to fulfill us and bring us closer to ultimate freedom and happiness

Crossing the Unknown Sea David Whyte, 2001-11-30 Our greatest opportunity for discovery growth is in the thing we most often want to get away from our work It s where people spend the majority of their time much of it wishing they were somewhere else doing something else And it s where people often spend their time not being present not being themselves This book is about reawakening the sleeping captain in us before that soul crashes on the rocks It takes us on the holiest of pilgrimages to the center of identity the roots of growth Whyte brings a new practicality to finding fulfillment nurturing our deepest identities at work This unique blend of poetry gifted storytelling personal experience is wrapped in Whyte s lyrically inspired powerful prose A life changing work

Crossing the Unknown Sea David Whyte, 2001 An exploration of work as an opportunity for discovering and nurturing our deepest selves We spend most of our time in the workplace and what holds us back at work is what will hold us back the longest in terms of our personal development A blend of poetry story telling and experience this book is about how we find fulfillment through work The text applies the stages of a pilgrimage to the process of seeking identity through the unknown sea of work

So You Want to be a Dean? Pathways to the Deanship Kate Conley, Shaily Menon, 2022 This volume comprises chapters by humanist and interdisciplinary arts and sciences faculty who became academic deans with reflections on how they used their position to further the liberal arts fulfill special projects and play a leadership role in shared governance on their campuses These chapters shed light on how these colleagues were motivated to join the administration in public and private large and small institutions how their career pathways led them there what their jobs entailed what was some of the satisfaction they derived from their work and in some cases how they felt about the experience *So You Want to be a Dean* provides a critical update to the experience of academic leadership at American colleges and universities during the pandemic because of the focus on leading a liberal arts faculty through Covid 19 The core focus of the volume is on the experience of leadership through personal reflections provided by academic leaders the

spark that motivates them to serve their colleagues and their university in their capacity as deans This volume will greatly benefit mid career academics in all fields working at American liberal arts colleges and universities who are curious about possible pathways into administration for faculty and the rewards that such career choices may hold *The Lion that Swallowed Hemingway* Orest Stocco, 2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide **Enduring Ministry** Samuel D. Rahberg, 2017-01-15 For many Christian leaders the experience of ministry includes enough conflict and disappointment to soon wear off the patina of one's initial enthusiasm And yet relief and renewal seems too often out of reach What happens in this season of ministry is more than a matter of whether or not a Christian leader can persist It is in fact possible for a person to engage the call to maturity at the juncture of discipleship and leadership *Enduring Ministry* is designed for those who seek this more durable way forward one that is infused with grace and inspired by good mission In *Enduring Ministry* Samuel Rahberg draws on insights from the monastic tradition the ministry of spiritual direction and the practice of Christian leadership to support and empower women and men for continued ministries in the church helping them turn from merely enduring to lasting effective and vibrant Christian leadership **Shaping Social Justice Leadership** Linda L. Lyman, Jane Strachan, Angeliki Lazaridou, 2012-05-31 *Shaping Social Justice Leadership* Insights of Women Educators Worldwide contains evocative portraits of twenty three women educators and leaders from around the world whose actions are shaping social justice leadership Woven from words of their own narratives the women's voices lift off the page into readers hearts and minds to inspire and inform Representing fourteen countries these members of Women Leading Education Across the Continents WLE portray the complexity of twenty first century leadership The variety of continents countries personal backgrounds professional positions and ages of those who contributed narratives give the book credibility The portraits are framed with relevant scholarship and grouped thematically Each carefully crafted portrait highlights an aspect of a chapter theme followed by practical insights The chapters develop a range of cultural comparisons illustrate imperatives for social justice leadership and examine values skills resilience leadership pathways and actions The authors invite all educators both women and men to shape social justice leadership through collective efforts around the globe that create new possibilities for a more just world Learn more about *Shaping Social Justice Leadership* here **Review of Public Personnel Administration**, 2004 Include abstracts **Making Work Work for the Highly Sensitive Person** Barrie

Jaeger,2005-05-05 This book gives highly sensitive persons HSPs strategies to build confidence combat stress and find work that is emotionally financially and creatively rewarding Based on cutting edge medical and scientific research this fresh perspective on how readers can secure satisfying careers WEBSITE *Constructing Professional Identity Through Practice and Service Learning* Holly Feen-Calligan,2002 *Female Business Owners in Public Relations* Allison Weidhaas,2016-05-12 Female Business Owners in Public Relations Constructing Identity at Home and at Work presents an important perspective on how female business owners construct their work life integration and addresses key identity questions Weidhaas examines business ownership in public relations an industry dominated by women and incorporates the voices of practitioners through narrative interviews that explain the challenges and opportunities of work life integration This book explores the intersection of public relations practice gender and business ownership *Wake Up Inspired* Marian Baker,2006 *Dancing the Cliff Edge* Monica C. Worline,2004 *At Work* Jerry Biberman,Michael D. Whitty,2007 Making spirituality an integral part of the hectic workday is a key concern for the authors of At Work They offer a number of solutions meant to help integrate these two worlds all with a common theme the positive renewal and transformation of both worker and workplace Carefully avoiding the pat answers of pop psychology At Work is instead an in depth read for teachers consultants and people interested in making their work environment a more healthful and compassionate one *Jobs-careers-professions* Leon V. Werner,2001 This book consists of citations covering a wide spectrum of the job hunting employment and professional fields The decisions leading to the job interview including educational choices and the events which occur during one s employment will form a large part of an individual s life s experiences Most individuals will work at several different jobs during a lifetime of work **Bridging Troubled Waters** Michelle LeBaron,2002-07-15 A robust and holistic approach to resolving conflict Like a hand pulling back the curtain from parts of us that have been closeted away this book reveals ways we can use more of ourselves in addressing conflict **Geekonomics** David Rice,2008 The clarity of David s argument and the strength of his conviction are truly inspiring If you don t believe the world of software affects the world in which you live you owe it to yourself to read this book Lenny Zeltzer SANS Institute faculty member and the New York Security Consulting Manager at Savvis Inc Geekonomics stays with you long after you finish reading the book You will reconsider every assumption you have had about software costs and benefits Slava Frid Gemini Systems CTO Resilience Technology Solutions Information Security is an issue that concerns governments companies and increasingly citizens Are the computer systems and software to which we entrust our sensitive and critical information technologies that are out of control David Rice has written an important and welcome book that goes to the heart of this issue and points to solutions that society as a whole needs to debate and embrace Nick Bleech IT Security Director Rolls Royce If you are dependent upon software and of course all of us in the modern world are this book is a fabulous discussion of how and why we should worry Becky Bace The Real Cost of Insecure Software In 1996 software defects in a Boeing 757 caused a crash that killed 70 people In 2003 a software vulnerability helped cause the

The Juggling Act Peggy Edwards, Judy Turner, Miroslava Lhotsky, 2002 After Peggy Edwards Miroslava Lhotsky and Judy Turner published their highly successful first book *The Healthy Boomer A No Nonsense Guide to Midlife Health for Women and Men* they embarked on a series of workshops with health professionals and men and women in midlife Like them the participants often found it almost impossible to juggle the responsibilities of midlife and still find time and energy for themselves Translating the principles of balance and good health into daily action is difficult and the authors knew from their seminars that participants were always pleased to hear stories of struggle and success from others It made sense they concluded to ask Boomers themselves the best ways to manage midlife To get a sense of common issues in midlife and possible coping strategies they sent out a questionnaire and conducted telephone interviews to draw out more in depth ideas The results are

found in this book a collection of anecdotes quotes and wisdom from Boomers themselves In midlife we start to get in touch with the fact that our time on earth will not last forever and is precious This book provides a variety of ways of looking at this fact and of thinking about the choices ahead There are motivating stories from Boomers some such as Pamela Wallin known to many brief updates from the scientific world and interesting tidbits of information from the survey For the Common Good John C. Knapp, 2007 Against the all too familiar backdrop of corporate malfeasance scandal in our religious institutions political chicanery to serve ulterior motives and constant reminders of the corruptive influence of power For the Common Good showcases the insights reflections and recommendations of some of today's most forward thinking and inspiring leaders applying their expertise in fields such as ecology education and conflict resolution Today's challenges test leaders to their very core and require a fundamentally new kind of leadership committed to the greater good of society From Nobel Prize winner John Hume to Leader to Leader Institute Chair Frances Hesselbein Harvard University's Howard Gardner to President Jimmy Carter the contributors argue that because individuals institutions and societies are now so profoundly connected and inter related every decision of consequence has a ripple effect Leaders of all stripes including corporate executives politicians social activists scientists and educators must display courage integrity humility and the wherewithal to consider the long term impact of their decisions and actions most importantly they must engage in dialogue and recognize that creative solutions to complex problems require collaboration The result is a provocative and multi dimensional exploration of leadership in troubled and troubling times but with a hopeful note that individuals and organizations will rise to the challenges
