**Martin P. Wattenberg**

## **Dimes Worth Of Difference:**

**The Ten Things You Can't Say in America** Larry Elder,2000-09-11 Offers insights on the too often undiscussed truths of life in contemporary America probing such subjects as the differences between Democrats and Republicans the health care crisis and racism

**The Decline of American Political Parties, 1952-1996** Martin P. Wattenberg,2009-07-01 The major theme of Chapter 12 new to this edition is the missed opportunities for the parties in the 1996 elections The year started with a highly visible confrontation over the budget that could have revitalized the party coalitions if the issues had been carried over to the election However the candidate centered campaign of 1996 ultimately did little to resolve these issues or to reinvigorate partisanship in the electorate In spite of the opportunities for getting new voters to the polls created by the Motor Voter Act voter turnout in 1996 was the lowest since 1924 Turning out the vote is one of the most crucial functions of political parties and their inability to mobilize more than half of the eligible electorate strongly indicates their future decline in importance to voters Until citizens support the parties more by showing up to cast votes for their candidates the decline of American political parties must be considered to be an ongoing phenomenon From the preface

**Nativist Nation** Clifford Young,Kirby Goidel,2025-11-03 This book presents nativism the notion that foreign born immigrants are not real Americans as the leading ideological feature of American politics Clifford Young and Kirby Goidel offer a rigorous and operational definition of nativism that in combination with original survey data explores public attitudes about who counts as an American They explain the economic demographic and cultural circumstances that cause this condition to break through and demonstrate its distinguishing policy preferences Not only do the authors define the US as a Nativist Nation historically they also show how it has profoundly affected contemporary politics Specifically they look at the primary elections in 2015 2016 during which Donald Trump tapped into a wellspring of nativist sentiment and found a receptive audience thanks to bold rhetoric

**Living Make-Belief: Thriving in a Dream Society** Jim Dator,2024-05-27 This book shows how multiple developments have caused the world to move from an information society to a dream society Ongoing social and technological forces are pushing us from a world of words rationality and truth into a world of images performance and make belief Rather than deny or reject this transformation this book argues that one should understand and embrace it as waves of new futures that the world must strive to surf for fame and fun As a political scientist and futurist the author also offers hints of new goals and forms of governance fit for a dream society as he demonstrates that all current systems are ineffective and dangerously obsolete This book is of great interest to political philosophers futures scientists sociologists and those interested in cultural studies

**THE POWER DILEMMA: ORDER, DEVELOPMENT & GOVERNANCE** Farhang Morady,2023-02-28 The Democratic Education Network DEN is a collaborative initiative involving academic colleagues and students that aims to organize and support students educational experiences at the University of Westminster DEN has inspired students to engage locally and globally This book is a co creation between the students and the academic colleagues

who have worked collaboratively to design develop and publish it DEN represents a radical departure from some of the chalk and talk as e learning experiences in our higher education institutions      **Dime's Worth of Difference** Alexander

Cockburn,Jeffrey St. Clair,2004 For all who dare look this timely book shows how voting for the lesser evil candidate still leaves the American people with evil It calls on progressives to begin a new movement outside the death embrace of the Democratic Party      **Beyond Carbon Neutral** Samuel M Goodman,2021-04-28 Beyond Carbon Neutral How We Fix the

Climate Crisis Now details step by step what we need to do right now to avert disaster showing that there is still hope for solving climate change This important book hopes to instill the passion and clarity for overcoming such a major problem Author Dr Samuel M Goodman provides a tool to help you gain the understanding needed to advocate for a future free of this looming catastrophe in this thought provoking work Beyond Carbon Neutral speaks to everyone concerned about climate change It s designed to give the reader the information they ll need to understand the road ahead You ll read about Making a balanced and renewable power grid that provides energy year round Sequestering carbon dioxide in scalable and practical ways Using the powers of societal institutions to make change happen and Getting involved and make choices that make a difference Worried about climate change Beyond Carbon Neutral contains a wealth of information to help turn innovative concepts into reality      *Subterranean Fire* Sharon Smith,2018-07-17 A concise well written history of U S working class

struggle and radicalism from the author of Women and Socialism Class Race and Capital Solidarity Smith explores how the connection between the U S labor movement and the Democratic Party with its extensive corporate ties has repeatedly held back working class struggles And she closely examines the role of the labor movement in the 2004 presidential election tracing the shrinking electoral influence of organized labor and the failure of labor management cooperation business unionism and reliance on the Democrats to deliver any real gains Sharon Smith brings that history to life once again blasting through the myths of the working class that Trump era narratives cling to in order to connect us once again to the possibility of building broad solidarity Sarah Jaffe author of Work Won t Love You Back A veteran worker intellectual brilliantly addresses the crisis of the labor movement skewering those who believe that renewal can come from the top down and encouraging those who are fighting to rebuild it from the bottom up Mike Davis author of Planet of Slums      The
