Hill, 1989-02-15 Part I Introduction Diplomatic History Joseph M. Siracusa, 2021-07-06 Diplomatic history explores the management of relations between nation states by the process of negotiations From the diplomacy of the American Revolution the diplomatic origins of the Great War and its aftermath Versailles and the personal summitry behind the night Stalin and Churchill Divided Europe to George W Bush and the Iraq War and diplomacy in the age of globalization the management of power relationships has had an immense impact on our recent history This Very Short Introduction updates the former *Diplomacy A Very Short Introduction* and illustrates international diplomacy in action exploring the changes in method at key historical junctures and highlighting the very different demands that circumstances make on the practice of diplomats Drawing on the case studies above it makes sense of the way in which skilful diplomacy as well as hubris rashness and excessive caution can have important ramifications for the fate of nations Based on the experiences of diplomatic history it also locates the universal role of negotiations and identifies the key elements of success As Joseph M Siracusa shows diplomacy was and is an indispensable element of statecraft and without skilful diplomacy political success may remain elusive Very Short Introductions Brilliant Sharp Inspiring ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **States of Disconnect** Adhira Mangalagiri, 2023-01-24 Winner 2025 Anna Balakian Prize International Comparative Literature Association In an interconnected world literature moves through transnational networks crosses borders and bridges diverse

cultures In these ways literature can bring people closer together Today as hopes for globalization wane and exclusionary nationalism is on the march can literature still offer new ways of relating with others Comparative literature has long been under the spell of circulation contact connectivity and mobility what if it instead sought out their antitheses States of Disconnect examines the breakdown of transnationalism through readings of literary texts that express aversion to pairing ideas of China and India Focusing on practices of comparison Adhira Mangalagiri considers how these texts articulate the undesirability or impossibility of relating with national others tracing portrayals of violence silence and distance She proposes the concept of disconnect a crisis of transnationalism perceptible in moments when a connection is severed interrupted or disavowed Despite their apparent insularity texts of disconnect offer possibilities for relating ethically across national borders while resisting both narrow nationalisms and globalized habits of thought Reading a variety of largely untranslated twentieth century Chinese and Hindi short stories novels and poems Mangalagiri develops three new strategies for comparison friction ellipses and contingency that together comprise a critical vocabulary of disconnect Foregrounding transnationalism s discontents States of Disconnect offers a different path by which literary texts can cultivate a critical sensibility for making sense of a world rife with division **The Diplomacies of New Small States** Milan
