Direct-Line with a Serial Killer Frank V. D'Ambra, 2001-08-01 **Prime Suspect - The True Story of John Cannan, The Only Man the Police Want to Investigate for the Murder of Suzy Lamplugh** Christopher Berry-Dee, 2008-07-07

Under that veneer of charm there lies a most evil violent and horrible side to your character You should never be at liberty outside of prison walls Mr Justice Drake Exeter Crown Court 28 April 1989 Before being sentenced to three life terms for the murder of Bristol newlywed Shirley Banks in April 1989 John Cannan boasted of over a hundred one night stands He was charming he was handsome and he wooed his conquests among them professional women with flowers and champagne When Suzy Lamplugh disappeared in July 1986 following her meeting with Mr Kipper Cannan had only been out of prison for three days following an eight year sentence for rape After Cannan was convicted of the murder of Shirley Banks the Lamplugh case was closed To this day Cannan denies his involvement in the Lamplugh case and protests his innocence in the murder of Shirley Banks His appeal has been dismissed Drawing on the latest psychological profiling knowledge developed in America by the FBI and most importantly an intense three year correspondence with Cannan Christopher Berry Dee provides a chillingly personal comprehensive portrait of a complex intelligent but disturbed man *The Cases That Haunt Us* John E. Douglas, Mark Olshaker, 2001-12 Violent Provocative Shocking Call them what you will but don't call them open and shut Did Lizzie Borden murder her own father and stepmother Was Jack the Ripper actually the Duke of Clarence Who killed JonBenet Ramsey America's foremost expert on criminal profiling and twenty five year FBI veteran John Douglas along with author and filmmaker Mark Olshaker explores those tantalizing questions and more in this mesmerizing work of detection With uniquely gripping analysis the authors reexamine and reinterpret the accepted facts evidence and victimology of the most notorious murder cases in the history of crime including the Lindbergh baby kidnapping the Zodiac Killer and the Whitechapel murders Utilizing techniques developed by Douglas himself they give detailed profiles and reveal chief suspects in pursuit of what really happened in each case *The Cases That Haunt Us* not only offers convincing and controversial conclusions it deconstructs the evidence and widely held beliefs surrounding each case and rebuilds them with fascinating surprising and haunting results Zodiac Killer Project Stephen Vannoy, 2025-10-13 What happens when a filmmaker sets out to solve America's most famous cold case and ends up creating something entirely different Charlie Shackleton had everything planned His documentary would finally crack the Zodiac case revealing the truth behind fifty years of mystery Then the rights fell through his project collapsed and he was left with nothing but failed dreams and empty parking lots Instead of giving up Shackleton did something unprecedented He made a film about the film he couldn't make turning failure into a mirror that reflects our obsession with unsolved puzzles Zodiac Killer Project won awards at Sundance not for solving the case but for exposing why we're so desperate to solve it This book takes you inside both stories the original investigation that began in 1968 when someone started sending coded letters to San Francisco newspapers and the modern filmmaker who

found a new way to examine our relationship with mystery itself You ll discover how the Zodiac s cryptic communications created a template for media manipulation that still influences how we consume stories about violence and justice From the confirmed attacks in Northern California to the cipher that remained unsolved for 51 years from Hollywood adaptations to internet theories from police evidence rooms to empty crime scenes filmed in harsh daylight This is the story of how one case became a cultural phenomenon and how one filmmaker s honesty about his own motivations changed how we think about true crime entertainment The Zodiac may never be identified But understanding why we can t let go of the mystery reveals something profound about how we process fear seek control and create meaning from chaos Some questions are more important than their answers This is one of those stories you won t be able to put down even knowing it may never truly end

Murder at the Washington Tribune Margaret Truman,2005-10-25 From senators to summer interns from all the president s men to all powerful women Margaret Truman captures the fascinating high wire drama of Washington D C like no other writer Now this master of mystery fiction takes us into the capital s chaotic fourth estate At the big aggressive newspaper The Washington Tribune a young woman has been murdered And the hunt for her killer is making sensational and lethal headlines The victim fresh out of journalism school hoped to make a splash at the Trib and then a maintenance man found her in a supply closet brutally strangled to death The Trib s journalists are at once horrified and anxious to solve the crime before the cops do and put this scandal to rest But the Metropolitan Police Department isn t going to let byline hungry reporters get in the way of its investigation and soon enough the journalists and the cops have established warring task forces Then a second woman is killed in Franklin Square Like the first she was young attractive and worked in the media For veteran Trib reporter Joe Wilcox whose career is mired in frustration and disappointment the case strikes close to home His daughter is a beautiful rising TV news star As his relationship with a female MPD detective grows more intimate Joe sees a chance to renew himself as a reporter and as a man Spearheading the Trib s investigation he baits a trap with a secret from his own past Suddenly Joe is risking his career his marriage and even his daughter s life by playing a dangerous game with a possible serial killer while a police detective is bending rules for the reporter she likes and trusts but may not know as well as she thinks she does As Joe s daughter finds herself trapped at the heart of a frantic manhunt the walls come down between family friendship ethics and ambition and a killer hides in plain sight Chilling riveting and richly rewarding *Murder at The Washington Tribune* is a brilliant tale of real people in a world where law power and honesty collide and where the punishment only sometimes fits the crime
