Dirty Pictures Tom Of Finland Masculinity And Homosexuality:

Dirty Pictures Micha Ramakers, 2000-03-16 In this groundbreaking study of the art of Touko Laaksonen 1920 1991 better known as Tom of Finland Micha Ramakers explores the incredible and defining impact Tom's work has had upon the culture at large It is work whose erotic and emotional power remains unabated to this day Lavishly illustrated with drawings and photographs *Dirty Pictures* is a lively and entertaining book encompassing the rise of the gay movement the world of fine art and the function and the functioning of pornography For the millions of fans of Tom's work throughout the world as well as readers unfamiliar with his work this study brings uncommon insight into Tom of Finland's decidedly uncommon work

Men's Bodies Judith Still, 2019-08-07 No detailed description available for Men's Bodies **"That doesn't make him gay"** Jeffery P. Dennis, 2025-08-27 How do television viewers decide that characters are gay Why is one viewer convinced by a scene where two men smile at each other whereas another responds to a scene where they share a bed with I don't see how that makes them gay This book examines scenes situations and structures that permit characters to be read as LGBT including two same sex characters as a romantic couple in the dark comedy crime drama *The Righteous Gemstones* and other contemporary television series contrasted with social media posts that embrace ignore or deny their identity Some surprising strategies emerge such as if a man speaks to a woman he is always straight and they can't be a romantic couple if another character ever refers to them as friends This thoroughly researched work investigates the practices of viewers identifying gayness on television drawing conclusions about both media and audience *Queering The Terminator* David Greven, 2017-06-15 The Terminator film series is an unlikely site of queer affiliation The entire premise revolves around both heterosexual intercourse and the woman's pregnancy and giving birth It is precisely the Terminator's indifference to both that signifies it as an unimaginably inhuman monstrosity Indeed the films overarching contention that humanity must be saved rooted as it is in a particular story about pregnancy and birth that exclusively focuses on the heterosexual couple and the family would appear to put it at odds with the political stances of contemporary queer theory Yet as this book argues there is considerable queer interest in the Terminator mythos The films provide a framework for interpreting shifting gender codes and the emergence of queer sexuality over the period of three decades Significantly the series emerges in the Reagan 80s which marked a decisive break with the sexual fluidity of the 70s As a franchise and on the individual basis of each film The Terminator series combines both radical and reactionary elements Each film reflects the struggles over gender and sexuality specific to its release At the same time the series foregrounds the intersection of technology and gender that has become a definitive aspect of contemporary experience A narrative organized around a conservative view of female sexuality and the family the Terminator myth is nevertheless a richly suggestive narrative for queer theory and gender studies

Male Desire Jonathan Weinberg, 2004 Examining the history of homoeroticism in American art *Male Desire* surveys how the male body has been portrayed for the last century and a half 220 illustrations 128 in full color *Dictionary of Erotic*

Burt, 2010-06-07 This alphabetically arranged dictionary of artists known to have produced works depicting sexual imagery profiles the artists from ancient times to the present Each entry offers biographical information including the artist's name and any variants birth and death dates geographic focus a description of the artist's media training and the nature of their artistic output Provided by publisher **LGBTQ America Today [3 volumes]** John Charles

Hawley, 2008-11-30 Hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian gay bisexual transgender and queer American culture **GLQ**, 1993 *Modern and Postmodern Cutting Edge Films*

Anthony David Hughes, Miranda Jane Hughes, 2008 *Modern and Postmodern Cutting Edge Films* closely examines a wide variety of major filmic texts that have established permanent iconic shifts in modern and postmodern US culture and filmic practices These films and their often visionary trend setting auteurs each introduced new manners of seeing that were imitated by later directors and ultimately absorbed by popular culture itself The primary rationale for writing this collection was quite simple it is new and different No anthology exists that examines the concept of the cutting edge film across such a remarkably wide variety of genres and with such a diversity of theoretical approaches and subject matter Equally important all the contributors bring a unique voice and multi disciplinary perspective to their respective chapters This anthology will be of great interest to scholars from a variety of disciplines including film studies historical studies and gender and genre studies As far as possible contributors have minimized a great deal of typical theoretical terminology so that lay readers who possess some familiarity with basic film analysis and theory can understand the text It can be used as a classroom text in both graduate and upper level undergraduate film classes *Modern and Postmodern Cutting Edge Films* is an anthology that instructors of film theory and history can use for many years to come Indeed we feel that this remarkable collection of essays will itself become an indispensable cutting edge text of film scholarship **The Art of Queering in Art** Henry Rogers, 2007

The Art of Queering in Art is a collection of essays on such artists as Loren Cameron Leigh Bowery and Gilbert George *Out/lines* Thomas Waugh, 2002 *OUT LINES* features a resurrection of erotic gay images that circulated in clandestine communities during the 100 years before Stonewall including 200 previously unpublished obscene images which will both broaden and tantalise our view of queer culture with their surprising range of historical styles and motifs including the work of legendary erotic artist Tom of Finland Complemented by 8 pages in full colour Waugh's historical rigorous narrative explores the cultural and erotic dynamics and the social context in which these secret sexual images were created **The Greenwood Encyclopedia of Love, Courtship, & Sexuality Through History: The modern world** James W. Howell, 2008 Sex and love are central to daily life and to all nations Despite the universality of these sentiments their expression is largely shaped by the cultures in which they occur This set explores sex love and culture around the world and across time
