Discharging Congress Government By Commission:

Discharging Congress Colton C. Campbell, 2001-11-30 The creation of temporary independent advisory bodies that give advice to Congress is an important yet under investigated area of congressional delegation With variations to fit the circumstances lawmakers entrust commissions to accomplish diverse goals such as coping with increases in the scope and complexity of legislation forging consensus drafting legislation finessing institutional obstacles coordinating strategy and promoting party unity Campbell investigates why and when Congress formulates policy by commissions rather than by the normal legislative process He shows that many variables go into the decision to entrust those bodies to render non partisan recommendations According to lawmakers and their staff the three primary justifications for choosing to delegate to commission include expertise workload and avoidance Which of these three dominates depends in large part on the politics surrounding a particular issue and the nature of the policy problem The logic of delegation to each of the three commission types is different Which reason dominates depends in large part on the politics surrounding the issue and the nature of the legislative policy problem Scholars students and other researchers involved with Congress American government and public policy will find the study of particular interest *Congressional Commissions* Matthew Eric Glassman, 2011-04

Commissions of Inquiry and National Security Stuart Farson, Mark Phythian, 2010-12-16 This text presents a comparative international study of commissions of inquiry that have been convened in response to extraordinary failures and scandals In recent years commissions of inquiry have been common to the politics of the United States Britain Canada and Australia Recent years have seen a much wider range of states establish commissions of inquiry into intelligence and security issues and they have also played important roles in transitions in Latin America and Eastern Europe Commissions of inquiry are no longer even the exclusive preserve of states as transnational institutions such as the United Nations and European Union have begun to convoke them This groundbreaking book comprehensively examines commissions of inquiry around the world which have become important and increasingly invoked tools to discover truth curb abuses and reconcile national security imperatives with the constraints of law and human rights It offers timely insights for national security analysts government officials diplomats lawyers scholars human rights monitors students and citizens **Congress and Civil-Military**

Relations Colton C. Campbell, David P. Auerswald, 2015-03-03 While the president is the commander in chief the US

Congress plays a critical and underappreciated role in civil military relations the relationship between the armed forces and the civilian leadership that commands it This unique book edited by Colton C Campbell and David P Auerswald will help readers better understand the role of Congress in military affairs and national and international security policy Contributors include the most experienced scholars in the field as well as practitioners and innovative new voices all delving into the ways Congress attempts to direct the military This book explores four tools in particular that play a key role in congressional action the selection of military officers delegation of authority to the military oversight of the military branches and the establishment of incentives both positive and negative to encourage appropriate military behavior The contributors explore the obstacles and pressures faced by legislators including the necessity of balancing national concerns and local interests partisan and intraparty differences budgetary constraints the military s traditional resistance to change and an ongoing lack of foreign policy consensus at the national level Yet despite the considerable barriers Congress influences policy on everything from closing bases to drone warfare to acquisitions A groundbreaking study Congress and Civil Military Relations points the way forward in analyzing an overlooked yet fundamental government relationship

Congressional Ambivalence Jasmine Farrier, 2010-04-30 Is the United States Congress dead alive or trapped in a moribund cycle When confronted with controversial policy issues members of Congress struggle to satisfy conflicting legislative representative and oversight duties These competing goals along with the pressure to satisfy local constituents cause members of Congress to routinely cede power on a variety of policies express regret over their loss of control and later return to the habit of delegating their power This pattern of institutional ambivalence undermines conventional wisdom about congressional party resurgence the power of oversight and the return of the so called imperial presidency In *Congressional Ambivalence* Jasmine Farrier examines Congress s frequent delegation of power by analyzing primary source materials such as bills committee reports and the Congressional Record Farrier demonstrates that Congress is caught between abdication and ambition and that this ambivalence affects numerous facets of the legislative process Explaining specific instances of post delegation disorder including Congress s use of new bills obstruction public criticism and oversight to salvage its lost power Farrier exposes the tensions surrounding Congress s roles in recent hot button issues such as base closing commissions presidential trade promotion authority and responses to the attacks of September 11 She also examines shifting public rhetoric used by members of Congress as they emphasize in institutionally self conscious terms the difficulties of balancing their multiple roles With a deep understanding of the inner workings of the federal government Farrier illuminates a developing trend in the practice of democracy
