Your plans your goals even your dreams they are all within reach many of them are only one 1 e-mail away one well-written e-mail

E-mail is a tool just like a hammer You can take a hammer and nail two boards together or you can build a fantastic tree house

Your only limitation is the amount of energy and efforts you want to put into pursuing your plans

This book is a non-fluff no-nonsense book You can apply everything you learn as soon as you have finished reading

If at this time you only e-mail homework assignments to your teachers please expand on it

Maybe you are the president of a school club that is doing a fundraiser for a good cause

E-mail the morning news anchor of your local TV station and request to present your cause on the news

A great e-mail might get the anchor's attention and he might invite you to talk about your event on the news

This would probably help boost your fundraiser's revenue and at the same time you are adding a phenomenal project to your resume

Maybe you are a blogger and you would like to invite an influencer to guest blog a few lines

Send him an e-mail and ask for it

Maybe you are a programmer who would like to get a summer job or an internship at a specific company rather than working any job that really doesn't interest you or further your career plans
