Google Keep For Beginners Voltaire Lumiere, 2023-11-28

Google Keep For Beginners The Comprehensive Guide To Note Taking Organizing Editing And Sharing Notes Creating Voice Notes And Setting Reminders For Effective Workflow

Google Keep is a note taking tool that is part of Google's free online suite of Google Docs Editors Google Sites Google Sheets Google Slides Google Drawings Google Forms and Google Docs are also included in the service. Google Keep is accessible as an iOS and Android mobile app as well as a web application. The app provides a range of note taking tools such as lists texts images and audio. Optical character recognition can be used to extract text from images and voice recordings can be transcriptions. There are two view options available on the interface single and multi column. Labels and color coding are two ways to organize and classify notes. The ability to pin notes and work together in real time on notes with other Keep users has been added in later updates. Reviews of Google Keep have been conflicting. Its speed voice note quality synchronization and widget that could be added to the Android home screen were all praised in an early 2013 review. Evaluations from 2016 have bemoaned the

interface's two view modes lack of formatting options and inability to reverse changes Neither view mode was thought to be particularly effective at managing lengthy notes Nonetheless Google Keep was praised for its features which included native integration with other Google services device compatibility and the ability to convert photos into text using optical character recognition In this book we'll walk you through how to use Google Keep like a pro
