Crisis Counselling Howard W. Stone,1993 Pastoral Care for Survivors of a Traumatic Death Jeonghyun Park,2017-11-07 Modern life has led to an increase in traumatic deaths such as accidents murders suicide and other types of unanticipated violent death Family members and friends grieving a traumatic death face enormous shock numbness and despair as well as the need to find hope and God s mercy and grace in the midst of chaos difficult questions and confusion The Christian church and faith community often do not provide appropriate pastoral care to help the bereaved overcome their despair Jeonghyun Park explores the unique characteristics and dynamics of traumatic grief or grief in response to traumatic death and present several approaches to pastoral care The survivors of a traumatic death are likely to ask pastors spiritually despairing and tough questions such as Where is God in this tragic death If we have to accept this new reality where can we find God s grace and mercy power and justice Pastors and other spiritual leaders can provide comfort to the loved ones of victims of traumatic death by assisting them with their questions concerning a helpless God and a cruel God This book offers new insights through specific pastoral care models and guidance for families needing healing recovery and meaningful rituals The British National Bibliography Arthur James Wells,1995 **Outside the Camp** Garth Cross,2017-01-13 If youre looking for a feel good read Outside the Camp is not it If you want joy without lament grace without sin light without darkness or love without pain read something else In fact the wince factor of this book is through the roof and I thought someone ought to warn you But if you want to read something that is profoundly and Biblically true revolutionary and life changing this is it Garth has given Gods people a wonderful gift and I rise up and call him blessed You will too Steve Brown professor author radio show host and leader of Key Life Network I have more thoughts emotions and places your story took me than I am able to capture I had to let you know that the Lord has deeply impacted me through your book Thank you Jim Amandus Senior Pastor at Highlands Community Church near Seattle Outside the Camp tells the story of a former pastors journey through a season of turmoil and personal failure The story of his decade of disillusionment sets the context for his observations as a church outsider in regards to how evangelical churches often fail in response to the wounded the outcasts and the sinners in their midst Offered in the form of Biblical lament three concerns are addressed the evangelical church does not truly offeror even fully understandthe gospel of grace it preaches instead suggesting that believers need to try harder and do more to prove themselves worthy of Gods favor the faith community is artificial rather than authentic and too often the wounds of its soldiers are left unattended people whose pain is too deep and complex for the church to easily comprehend are referred outside the church for the help they need to survive or they are simply neglected The book concludes with a consideration of Gods intent to restore sinners by offering grace that is full and free with a call for the church to once again communicate the unadulterated gospel to all who need its healing balm **Index to Book Reviews in Religion** ,1995 **Subject Guide to Books in Print** ,1997 **Whitaker's Books in Print** ,1998 **When**
