Crisis Or Change:

You're It Leonard J. Marcus, Eric J. McNulty, Joseph M. Henderson, Barry C. Dorn, 2019-06-11 Become a better crisis leader while equipping yourself with the tools for every day transformative leadership Managing crisis well is at the very heart of good leadership Here the team from the National Preparedness Leadership Initiative at Harvard University draws on a deep well of research as well as their experience working with leaders to respond to crisis events of all kinds from terrorist attacks to the COVID 19 pandemic to more everyday crises like a product recall or media controversy that can hit corporate operations risking terrible PR and outrage from customers You re It distills the wisdom the NPLI have gained from observing the way the most effective leaders take charge of situations with real confidence marshal and connect different networks together and bring their organizations cities and countries out through the other side of crisis into recovery It is an essential book for anyone potentially facing a crisis or a wrenching change Communication Yearbooks Vols 6-33 Set

Various, 2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication **Catastrophe and Social Change** Samuel Henry Prince, 1920

Output Response to Currency Crises Deepak Mishra, Mrs. Poonam Gupta, Ms. Ratna Sahay, 2003-11-01 This paper analyzes the behavior of output during currency crises using a sample of 195 crisis episodes in 91 developing countries during 1970-98 It finds that more than two fifths of the crises in the sample were expansionary and that output contraction was greater in large and more developed economies than in small and less developed economies Currency crises have not been any more contractionary in the 1990s than in the previous two decades Countries that traded less with the rest of the world that had a relatively open capital account and where crises were preceded by large capital inflows were more likely to be associated with contraction during crises The contraction was more pronounced if trade competitors devalued oil prices rose during the crisis and postcrisis period was marked by tight monetary policy and expansionary fiscal policy **Crisis**

Managing Cultural Differences Robert T. Moran, Neil Remington Abramson, 2017-10-24 In today's global business environment it is vital that individuals and organizations have sophisticated global leadership skills. Communication and understanding of different cultures is paramount to business success. This new edition of the bestselling textbook *Managing Cultural Differences* guides students and practitioners to an understanding of how to do business internationally providing practical advice on how competitive advantage can be gained through effective cross cultural management. Crises in the Middle East, the weakening of some emerging markets and the value of diversity and inclusion are just a few examples of contemporary issues discussed in this text which also introduces a completely new chapter on global business ethics. With a wealth of new examples, case studies and online materials this textbook is required course reading for undergraduates, postgraduates and MBA students alike as well as being a vital tool for anybody selling, purchasing, traveling or working internationally.

Life Curriculum: Charles Paul Collins, 2025-10-15 What do Harvard University, UC Berkeley and Rotterdam University have in common? They all recognize that true success requires preparing students for life beyond academia by teaching them life crafting, a structured, measurable personal growth framework and a continuous improvement system for living. *Life Curriculum* reveals the time tested life performance excellence framework deeply rooted in the kaizen method for personal development and the performance excellence practices of skilled trades and leading organizations worldwide. It is a conscious workmanlike approach to shaping your life by design, not by accident. Just as master craftsmen develop expertise through structured training, you'll apply this life operating framework across all life domains, not just career, but every aspect that shapes who you are.
