

# The Six-Step Crisis Intervention Model Explained

# Crisis Intervention In Social Services

**Barbra Teater**

## **Crisis Intervention In Social Services:**

**Crisis Intervention in Social Services** Kieran O'Hagan, 1986-06-06 This book could only have been written by a social worker. It is full of energy, laced with pathos and humour, and the warts are not only visible but highlighted. It offers a thoughtful, down-to-earth view of crisis work in one social services team. Paul Reading, Oxford MIND [Crisis Intervention in Criminal Justice/social Service](#) James Earnest Hendricks, 1991 [Handbook for Practice Learning in Social Work and Social Care](#) Joyce Lishman, 2007-05-15 This substantially revised, expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory, knowledge, research and evidence relating to practice learning in social care, focussing on knowledge-based practice with a focus on improving outcomes. **CRISIS INTERVENTION IN CRIMINAL JUSTICE/SOCIAL SERVICE** James E. Hendricks, Cindy S. Hendricks, 2014-04-01 This expanded new edition continues to demonstrate and provide theoretical, analytical and practical knowledge for first responders. Face-to-face interaction with the client/victim is part of the comprehensive approach advocated by the book, which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action. The comprehensive balance of theory and practice presented in this book should enable the intervener to couple his/her general knowledge of human psychology and emotional crisis with the specific and novel characteristics of various crisis situations. The text represents the work of national scholars who have expertise in criminal justice and social service issues. Their chapters focus on: a Historical and Theoretical Overview; Ethics in Crisis Intervention; Practice; Intimate Partner Violence; Police Response to Domestic Violence; Children in Crisis; Elder Mistreatment; Suicide; Crisis of Rape and Survivor Intervention; Death Notification and the Theory and Practice of Delivering Bad News; Terrorism and Crisis Intervention; and Mass Casualty Crisis Response and Communication. Helpful appendices in each chapter provide additional internet resources as well as a complete Model Law Enforcement Code of Ethics and Social Work Code of Ethics. This new edition retains important information while providing current case studies such as the Miracle on the Hudson River crash, the mass shootings at Virginia Tech, the Boston Marathon bombing and the Yarnell Hill fire in Arizona. This exceptional book is designed for firefighters, police officers, community service officers, correctional workers, emergency medical workers, probation/parole officers, protective service workers, psychological counselors, social workers and victim assistance workers, among others. *Theoretical Perspectives for Direct Social Work Practice* Peter Lehmann PhD, LCSW, 2007-10-22 Praise for the first edition: Finally a social work practice text that makes a difference. This is the book that you have wished for but could never find. Although similar to texts that cover a range of practice theories and approaches to clinical practice, this book clearly has a social work frame of reference and a social work identity. Gayla Rogers, Dean of the Faculty of Social Work, University of Calgary. The major focus of this second edition is the same: to provide an overview of theories, models and therapies for direct social work practice, including systems theory, attachment theory, cognitive-behavioral theory, narrative

therapy solution focused therapy the crisis intervention model and many more However this popular textbook goes beyond a mere survey of such theories It also provides a framework for integrating the use of each theory with central social work principles and values as well as with the artistic elements of practice This second edition has been fully updated and revised to include A new chapter on Relational Theory and newly rewritten chapters by new authors on Cognitive Behavioral Theory Existential Theory and Wraparound Services New critique of the Empirically Supported Treatment EST movement Updated information on the movement toward eclecticism in counseling and psychotherapy A refined conceptualization of the editors generalist eclectic approach

### **An Introduction to Applying Social Work Theories and Methods 3e** Barbra

Teater, 2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh McLaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a

wealth of learning about different theories and methods of social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK      Crisis Intervention in Criminal Justice/social Service James Earnest Hendricks, Bryan Byers, 2006 1 Historical and theoretical overview James E Hendricks and Bryan D Byers 2 Ethics in crisis intervention practice Michael P Brown 3 Domestic violence Janet E Mickish 4 Police response to domestic violence Michael G Brei 5 Child abuse and neglect Barbara A Carson and Bruce K MacMurray 6 Children in crisis Cindy S Hendricks 7 Elder mistreatment Bernard E Blakely and Ronald Dolon 8 Rape victims and survivors Diane M Daane 9 Suicide Richard D Clark 10 Terrorism and crisis intervention Jennifer R Arnold Daniel E Ashment and Veronica L St Cyr 11 Death notification theory and practice of delivering bad news Bryan D Byers      **Social Workers' Desk Reference** Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice      **Encyclopedia of Canadian Social Work** Francis J. Turner, 2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide      EBOOK: An Introduction to Applying Social Work Theories and Methods, 4/e Barbra Teater, 2024-08-14 This book is a reassuring thorough and essential guide to the world of social work theories and methods This 4th Edition deserves to find a place on every social work reading list and bookshelf Professor Richard Ingram University of Dundee Scotland UK Based on the belief that all social workers have a responsibility both ethically and professionally to draw upon theories that are grounded in social work values the fourth edition of this book offers readers the opportunity to consider anew those theories Sarah Vicary Professor of Social Work and Mental Health School of Health Wellbeing and Social Care The Open University UK An essential read for anyone in the field of social work This book is a testament to the profound impact that well grounded theoretical knowledge can have on real world social work Highly recommended for its clarity depth and relevance Paul McCafferty Senior Lecturer in Social Work Queen s University Belfast NI This text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as an overview of psychosocial theories and concepts Each subsequent chapter explores in detail how to implement a specific theory or method their strengths and limitations key research ethical and cultural considerations and the integration of the theory or method with anti oppressive practice Each chapter includes case examples critical thinking questions and suggested further resources Key features of this new edition include

Illustrative case studies Exercises and case examples Critical thinking questions Further readings resources Revised content including a chapter on relationship based social work An Introduction to Applying Social Work Theories and Methods is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements Barbra Teater is Professor of Social Work at the College of Staten Island and is Executive Officer of the PhD Program in Social Welfare at The Graduate Center City University of New York USA      **Social Work Treatment 4th Edition** Francis J. Turner, 1996-09-01      **Crisis Intervention by Social Workers in Fire Departments: an Innovative Role for Social Workers** Joanne Cacciatore, Bonnie Carlson, Elizabeth Michaelis, Barbara Klimek, Sara Steffan, 2011

**Crisis Intervention Handbook** Albert R. Roberts, 2000 The handbook prepares the counselor or social service worker for rapid assessment and timely crisis prevention during this widely used brief treatment modality      *Social Service Teams* Great Britain. Department of Health and Social Security, Great Britain. Department of Health and Social Services, Northern Ireland, Great Britain. Social Work Services Group, 1978      Community Mental Health in the Social Work Curriculum Allen Rubin, 1979      **A Guide to Information Sources for Social Work and the Human Services** Henry N. Mendelsohn, 1987      The Social Services H. Wayne Johnson, 1990      *Crisis Intervention Handbook* Kenneth Yeager, Albert Roberts, 2015-04-30 Expanded and fully updated the Crisis Intervention Handbook Assessment Treatment and Research Fourth Edition focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses and graduate students who need to know the latest steps and methods for intervening effectively with persons in acute crisis      Handbook of the Social Services Neil Gilbert, Harry Specht, 1981      *California. Court of Appeal (4th Appellate District). Division 2. Records and Briefs* California (State).,

## **Crisis Intervention In Social Services Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Crisis Intervention In Social Services has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Crisis Intervention In Social Services has opened up a world of possibilities. Downloading Crisis Intervention In Social Services provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Crisis Intervention In Social Services has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Crisis Intervention In Social Services. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Crisis Intervention In Social Services. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Crisis Intervention In Social Services, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Crisis Intervention In Social Services has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Crisis Intervention In Social Services Books**

1. Where can I buy Crisis Intervention In Social Services books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Crisis Intervention In Social Services book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
