Gringolandia Stephen D. Morris, 2005 Mexico's views of the United States have been characterized as stridently anti American but recent policy changes in Mexico culminating with the North American Free Trade Agreement NAFTA mark a fundamental transformation in the relationship This thoughtful and original work answers questions about the impact of these policy shifts on Mexican nationalism and perceptions of the United States Have popular and elite views changed Has the government's anti American rhetoric become anachronistic What has been the effect on Mexican national identity As the only developing country to have entered into a free trade agreement with a developed country Mexico offers a unique and invaluable case study of the impact of globalization on a nation and its national identity Exploring Mexico's experience also allows us to consider how other countries perceive the United States especially in the post 9/11 climate Analyzing the diversity of Mexican views of the United States *Gringolandia* contributes a rich and nuanced dimension to our understanding of contemporary Mexico and Mexicans feelings about the vital cross border relationship **Magical Realism and Beyond** Roy Boland, Sally Harvey, 1991 **Historical Fiction, Fictional History** Joaquin A. Procházka, Ondřej Pilný, 2005 Focused on the myths and mythologies of European cultural history this volume seeks to address the present and past functions of foundation texts in the evolution of the European idea One of the specific objectives of this volume is to reconsider in the context of ongoing European expansion and integration the functionalist approach of Benedict Anderson according to whom imagined communities are to be distinguished not by their falsity genuineness but by the style in which they are imagined The common denominator of each of the essays contained in this volume is the problem of the discontinuity of time in relation to tradition cultural and individual memory as well as in relation to historical and literary narratives Time becomes the locus of its own reflexivity it is self temporalized It undergoes endless reiteration within itself and needs a semantics which sets valid accents for specific moments Jean Bessiere **Spain's Catholic Atheist**
