## **Critical Edition Of Thomas Salters The Mirrhor Of Modestie The Renaissance Imagination:**

**A Critical Edition of Thomas Salter's The Mirrhor of Modestie** Thomas Salter, 1987      Selected Philosophical and Scientific Writings Emilie Du Châtelet, 2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Châtelet 1706-49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton's Principia Mathematica that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Châtelet's writings and her contributions to history and philosophy For this edition Judith P Zinsser has selected key sections from Du Châtelet's published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Châtelet's place in the pantheon of French letters and culture

*Debating Women, Politics, and Power in Early Modern Europe* S. Jansen, 2008-04-14 The sixteenth century was an age of politically powerful women Queens acting in their own right and female regents acting on behalf of their male relatives governed much of Western Europe Yet even as women ruled and ruled effectively their right to do so was hotly contested Men's voices have long dominated this debate but the recovery of texts by women now allows their voices long silenced to be heard once again *Debating Women Politics and Power in Early Modern Europe* is a study of texts and textual production in the construction of gender society and politics in the early modern period Jansen explores the gynecocracy debate and the larger humanist response to the challenge posed by female sovereignty      Enrico; or, Byzantium Conquered Lucrezia Marinella, 2009-09-15 Lucrezia Marinella 1571-1653 is by all accounts a phenomenon in early modernity a woman who wrote and published in many genres whose fame shone brightly within and outside her native Venice and whose voice is simultaneously original and reflective of her time and culture In *Enrico or Byzantium Conquered* one of the most ambitious and rewarding of her numerous narrative works Marinella demonstrates her skill as an epic poet Now available for the first time in English translation Enrico retells the story of the conquest of Byzantium in the Fourth Crusade 1202-04 Marinella intersperses historical events in her account of the invasion with numerous invented episodes drawing on the rich imaginative legacy of the chivalric romance Fast moving colorful and narrated with the zest that characterizes Marinella's other works this poem is a great example of a woman engaging critically with a quintessentially masculine form and subject matter writing in a genre in which the work of women poets was typically shunned      **Elizabethan Silent Language** Mary E. Hazard, 2000-01-01 *Elizabethan Silent Language* is an anatomy of an alternative or supplementary mode of communication in a culture prized for its literary contributions Through the use of nonverbal media Elizabethans coexpressed enhanced and sometimes even subverted the medium of the written or spoken word Besides written documents and works of art extant

material reveals new referents and deeper meaning for Elizabethan verbal expression Funeral monuments jewelry costume foodstuffs protocol sumptuary laws portraits architecture management of public appearance absence and silence all were forms of a silent language The main elements of the semantic system of Elizabethan silent language were in many cases those of literal language with resources in religion in antiquity as translated through humanist tradition in custom and law in the Continental Renaissance and in Tudor historiography syntactic elements translated through word and practice and subject to personal inflection Assumed as given values were the masculine norm young adulthood courtly service discernment of ethical and aesthetic dimensions in all aspects of life a comprehensive rule of decorum and the preservation of religious political and social hierarchy Elizabethan Silent Language is a unique book Although Renaissance scholars have focused their attention on individual components of texts such as ceremony costume architecture protocol and portrait no other source synthesizes these components
