Critical Essays on Milan Kundera Peter Petro, 1999 This book offers reviews interviews essays articles and letters to examine the public and political literary history of Milan Kundera with a biographical introduction Philip Roth and World Literature: Transatlantic Perspectives and Uneasy Passages Velichka D. Ivanova, 2014-03-18 A book like this is long overdue because not many are aware of the numerous intersections between Philip Roth's fiction and world literature In highlighting these intersections and uneasy passages this comparative approach offers an important contribution to Philip Roth studies as well as to comparative literary study in general The fourteen chapters on this book summon Roth s intertextual links to authors ranging from the anonymous writer of the medieval play Everyman through Thoreau Hawthorne Crane Ellison Coover and the New York intellectuals in the United States to Swift Chekhov Svevo Kafka Schulz Gombrowicz Camus and Kl ma in Europe and on to Coetzee in South Africa The book does not deal with all the works in Roth's canon but it offers a selection of works representing the different stages of Roth's development as a writer By offering new readings of both well studied and lesser studied works sometimes in unexpected company the book discloses the critical difference that comparative scholarship can affect The uneasy passages the book opens will not exhaust the numerous intersections between Roth and the work of other writers The book s contribution is to place Roth s fiction firmly in a larger transnational context Far from insular Roth s work appears as deeply rooted in the American canon while at the same time showing a remarkable openness a persistent need for contact with his European forebears and true engagement with contemporary world literature The transnational perspective of the book makes it important for the rapidly growing field of transatlantic and transnational American studies The book will be value to collections in American literature and Jewish studies comparative literature and criticism and transatlantic and transnational American studies Narrating Post/Communism Natasa Kovacevic, 2008-05-19 This book examines communist and post communist literary and visual narratives including the writings of prominent anti communist dissidents and exiles such as Vladimir Nabokov Czeslaw Milosz and Milan Kundera exploring important themes including how Eastern European regimes and cultures have been portrayed as totalitarian barbarian and Orientalist in contrast to the civilized West disappointment in the changes brought on by post communist transition and nostalgia for World Literature Today ,1999 American Book Publishing Record ,2003 *Literature of the Western* communism World: Neoclassicism through the modern period, 1992 **Modernist Futures** David James, 2012-08-27 This book examines what innovation means to novelists today by reading their work in dialogue with the modernist tradition Hispanic Literature Criticism Jelena O.
