Critical Race Narratives Carl Gutierrez-Jones, 2001-08 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population
