## Critical Times:

**Critical Theory in Critical Times** Penelope Deutscher, Cristina Lafont, 2017-04-04 We live in critical times We face a global crisis in economics and finance a global ecological crisis and a constant barrage of international disputes Perhaps most dishearteningly there seems to be little faith in our ability to address such difficult problems However there is also a more positive sense in which these are critical times The world's current state of flux gives us a unique window of opportunity for shaping a new international order that will allow us to cope with current and future global crises In *Critical Theory in Critical Times* eleven of the most distinguished critical theorists offer new perspectives on recent crises and transformations of the global political and economic order Essays from Jürgen Habermas Seyla Benhabib Cristina Lafont Rainer Forst Wendy Brown Christoph Menke Nancy Fraser Rahel Jaeggi Amy Allen Penelope Deutscher and Charles Mills address pressing issues including international human rights and democratic sovereignty global neoliberalism novel approaches to the critique of capitalism critical theory's Eurocentric heritage and new directions offered by critical race theory and postcolonial studies Sharpening the conceptual tools of critical theory the contributors to *Critical Theory in Critical Times* reveal new ways of expanding the diverse traditions of the Frankfurt School in response to some of the most urgent and important challenges of our times

*Political Graffiti in Critical Times* Ricardo Campos, Yiannis Zaimakis, Andrea Pavoni, 2021-02-03 Whether aesthetically or politically inspired graffiti is among the oldest forms of expression in human history one that becomes especially significant during periods of social and political upheaval With a particular focus on the demographic ecological and economic crises of today this volume provides a wide ranging exploration of urban space and visual protest Assembling case studies that cover topics such as gentrification in Cyprus the convulsions of post independence East Timor and opposition to Donald Trump in the American capital it reveals the diverse ways in which street artists challenge existing social orders and reimagine urban landscapes

*Pedagogy, Education, and Praxis in Critical Times* Kathleen Mahon, Christine Edwards-Groves, Susanne Francisco, Mervi Kaukko, Stephen Kemmis, Kirsten Petrie, 2020-10-22 This book critically explores urgent questions that researchers educators and policy makers need to consider and address in order to better our understanding and capacity to transform education Focusing on areas that underpin the empirical theoretical and strategic research of the Pedagogy Education and Praxis PEP International Research Network it discusses the following topics the nature of educational praxis research approaches that facilitate praxis and praxis development changing cultural social political and material conditions affecting the educational practices of teachers and how good professional practice in teaching leading and professional learning are understood and experienced Presenting findings emerging from the Pedagogy Education and Praxis research the book raises new questions and offers new ways of thinking about the identified issues and themes in light of current educational concerns and the prevalence of neoliberal conditions being experienced in educational settings around the globe It provides supporting evidence and illustrative

examples to help readers understand important concepts situations and concerns and brings together intellectual and cultural historical traditions that when considered in relation to each other open up critical opportunities and ideas orienting readers towards future educational transformation
