Criminal Justice Review ,2003 **The British National Bibliography** Arthur James Wells,2002 *Sociological Abstracts* Leo P. Chall,2001 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Cutting the Edge** Jeffrey Ian Ross,2011-12-31 Understanding crime criminals and criminal justice from a radical critical perspective is indispensable in today s academic applied research and policy sectors Neglect of this approach leads to narrow mindedness and the probability of repeating past mistakes or reinventing the wheel Cutting the Edge by Jeffrey Ian Ross will encourage individuals and organizations especially students and instructors to innovatively identify ways of experimenting with new policy initiatives designed to improve not only criminal justice but social and human justice as well Ross has significantly changed this volume to include six new chapters and three revised ones as well The studies chosen demonstrate the difference between critical criminology and other approaches used to study and explain criminological phenomena The authors do not approach the inequalities of the criminal justice system as phenomena that should be studied but as wrongs that must be righted Cutting edge critical criminology combines concerns about fairness in punishment tools of class analysis and the insights of feminism postmodernism and ethnography The authors included here wield these newer tools with elegance and enthusiasm Written with passion by experts in the field the book engages the mind as fully as it engages the emotions *Focus on Law Studies* ,1990 *Which Degree Guide* ,2001 Advancing Critical Criminology Walter S.

DeKeseredy, Barbara Perry, 2006-06-29 Advancing Critical Criminology constitutes a timely addition to the growing body of knowledge on critical criminology scholarship DeKeseredy and Perry have assembled a volume that provides scholars with an in depth review of the extant literature on several major branches of criminology as well as examples of how critical criminologists apply their theoretical perspectives to substantive topics such as drugs interpersonal violence and rural crime Accordingly this work is divided into two main sections overviews of theories and applications Each chapter provides a summary of work in a specific area along with suggestions for moving the field forward This reader is unique in its choice of topics which have often been overlooked in the past An expert collection of international scholars Advancing Critical Criminology is certain to stimulate lively debates and generate further critical social scientific work in this field **An Introduction to Critical Criminology** Pamela Ugwudike, 2015-02-27 An Introduction to Critical Criminology offers an accessible introduction to foundational and contemporary theories and perspectives in critical criminology which introduces students to theories and perspectives about the causes of crime and the operation of the criminal justice system *Recent Developments in Criminological Theory* Scott A. Lukas, 2017-07-05 This volume contains recent and cutting edge articles from leading criminological theorists The book is organized into ten sections each representing the latest in the multi disciplinary orientations representing a cross section of contemporary criminological theory These sections include 1 Classical and Rational Choice 2 Biological and Biosocial 3 Psychological 4 Social Learning and Neutralization 5 Social Control 6 Social Ecology Sub cultural and Cultural 7 Anomie and Strain 8 Conflict and Radical 9 Feminist and Gender 10 Critical Criminologies Anarchist Postmodernist Peacemaking The articles were selected based on their contributions to advancing the field including ways in which the authors of each chapter understand the current theoretical tendencies of their respective approaches and how they envision the future of their theories Because of this the articles focus on theory rather than empirical research Of particular note is the tendency toward integration of different perspectives as described by editors Henry and Lukas in their original introduction to this volume **Expanding the Criminological Imagination** Alana Barton, Karen Corteen, David Scott, Dave Whyte, 2013-01-11 This book brings together a series of writings on the problems facing contemporary criminology highlighting the main theoretical priorities of critical analysis and their application to substantive case studies of research in action Its main aim is to establish the conceptual and practical foundations for a new generation of studies in criminology and to set a new agenda for critical criminology Each chapter will critically assess the main conceptual and empirical problems they have encountered in their research and to bring to life the key theoretical debates within the discipline This book will be essential reading for students seeking an understanding of the nature of the discipline of criminology and criminological research **Contemporary Critical Criminology** Walter S. DeKeseredy, 2010-09-13 The concept of critical criminology that crime and the present day processes of criminalization are rooted in the core structures of society is of more relevance today than it has been at any other time Written by an

internationally renowned scholar Contemporary Critical Criminology introduces the most up to date empirical theoretical and political contributions made by critical criminologists around the world In its exploration of this material the book also challenges the erroneous but widely held notion that the critical criminological project is restricted to mechanically applying theories to substantive topics or to simple calling for radical political economic cultural and social transformations This book is an essential source of reference for both undergraduate and postgraduate students of Criminology Criminal Theory Social Policy Research Methodology and Penology

Routledge Handbook of Critical Criminology Walter S. DeKeseredy, Molly Dragiewicz, 2011-10-27 The Routledge Handbook of Critical Criminology is a collection of original essays specifically designed to offer students faculty policy makers and others an in depth overview of the most up to date empirical theoretical and political contributions made by critical criminologists around the world Special attention is devoted to new theoretical directions in the field such as cultural criminology masculinities studies and feminist criminologies Its diverse essays not only cover the history of critical criminology and cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today and that generate much pain and suffering for socially and economically disenfranchised people The Handbook explores up to date empirical theoretical and political contributions and is specifically designed to be a comprehensive resource for undergraduate and post graduate students researchers and policy makers

Constitutive Criminology at Work Stuart Henry, Dragan Milovanovic, 1999-08-12 Constitutive Criminology at Work reveals the value of applying postmodernist informed constitutive criminology to issues of crime and justice A holistic integrated criminological theory constitutive criminology takes serious account of the interrelated contributions of human agency and social forces and argues that crime is an integral part of the total material and cultural production of society Consequently analysis and control of crime cannot be separated from the wider structural and cultural contexts in which it is produced This book argues that constitutive criminology can ultimately help society out of its obsession with the crime and punishment cycle Based on applications and empirical research within the theoretical framework first presented in the editors earlier volume Constitutive Criminology Beyond Postmodernism this new book brings together scholars and practitioners who have applied constitutive theory to specific areas of crime and justice practice It extends development of the constitutive project by drawing together studies that found constitutive theory helpful in understanding distinct problems in the applied world of crime and justice Contributors include Bruce Arrigo Gregg Barak Mary Bosworth John Brigham Dion Dennis Victor E Kappeler Peter Kraska Lisa Sanchez Robert Schehr Jim Thomas James Williams and T R Young
