Critical Readings Of John 6:

Critical Readings of John 6, 2021-11-15 A collection of essays on John 6 illustrating various current approaches to biblical interpretation To understand this chapter one must deal with most of the issues that confront serious readers of the Fourth Gospel Historical issues and questions regarding the composition of the Gospel the nature of the Johannine community the literary design of the Gospel and its theology all come to focus in a unique way in John 6 The essays in this volume are written by ten of the leading Johannine scholars in America Australia Europe and Scandinavia The collection therefore provides an overview of current Johannine scholarship and a showcase for the various methodologies now being used in Gospel studies

Allusion and Meaning in John 6 Susan Hylen, 2005 Many interpreters read John 6 as a contrast between Jesus and Judaism Jesus repudiates Moses and manna and offers himself as an alternative In contrast this monograph argues that John 6 places elements of the Exodus story in a positive and constructive relationship to Jesus This reading leads to an understanding of John as an interpreter of Exodus who like other contemporary Jewish interpreters sees current experiences in light of the Exodus story This approach to John offers new possibilities for assessing the gospel's relationship to Jewish scripture its dualism and its metaphorical language

The Johannine Discourses and the Teaching of Jesus in the Synoptics Philipp F. Bartholomä, 2012-07-18 Die negative Beurteilung der Authentizität der johanneischen Jesusreden basiert häufig auf der Annahme erheblicher Gegensätze zwischen Johannes und den Synoptikern Allerdings wurde ein sorgfältiger Vergleich zwischen den Jesusworten des Johannesevangeliums und denen in Matthäus Markus und Lukas bisher nicht durchgeführt Vorliegende Studie gelangt durch einen detaillierten Vergleich zu dem Ergebnis dass die Reden Jesu im vierten Evangelium zwar in einem spezifisch johanneischen Wortlaut formuliert sind auf inhaltlicher Ebene aber in bedeutendem Maße mit der synoptischen Lehre Jesu bereinstimmen So lässt sich zeigen dass die Authentizität der johanneischen Reden nicht aufgrund einer vermeintlichen Unvereinbarkeit mit den Synoptikern in Abrede gestellt werden kann

Eucharist and Ecclesiology Wendell Willis, 2017-01-06 In the late twentieth century and since ecumenical discussions on the nature and unity of the church have often centered on the Eucharist This book is focused on that intersection of church and Eucharist in current Christian relationships In the first part of the book representatives of the Orthodox tradition Paul Meyendorff the Roman Catholic tradition Denis Farkasfalvy and the Protestant tradition Gary Badcock discuss the relationship of Eucharist and church These essays are followed by an overview and response to these theme essays by Everett Ferguson who has published often on the topics The second part of the book contains essays on particular issues important for understanding the Eucharist and Christian faith These essays also come from the three theological traditions of the featured essays but focus on more specific issues behind the larger discussion The essays address the New Testament texts on Eucharist and important later Christian writers This book will be of value to scholars studying the Eucharist in the New Testament and the early Christian church as well as to clergy who need to instruct congregations on the ecumenical discussions of the Eucharist
