Consuming Silences Myles Weber, 2005 J D Salinger was an author in 1951 when he published *The Catcher in the Rye*. Is he one now? Was Henry Roth an author during the sixty years that separated *Call It Sleep* his literary debut from his second novel *Mercy of a Rude Stream* To show us how silence can be produced and consumed as a literary text Myles Weber takes a provocative look at four revered authors who battled writer's block or simply ceased publishing The careers of Tillie Olsen, Henry Roth, J D Salinger and Ralph Ellison suggest that an unproductive twentieth century author could command serious critical attention and remain a literary celebrity by offering the public volumes of silence which became read and admired like any other text Weber sees periods of nonpublication as texts that are consumed by the literary public and sometimes produced deliberately by inactive writers and their handlers However his aim is not to criticize individual authors but to reveal connections between literature as a commodity and authorship as a profession As Weber looks at the particular circumstances of each author's silence he brings to them an understanding of such topics as the cult of celebrity, intellectual property law, the complicity of the media and the academy in engendering and then maintaining an author's silence and mass production and distribution By helping us to look in new ways at authorial silence not just as a biographical fact or a creative problem but also as a marketing opportunity *Consuming Silences* injects energy into debates about the nature of literary production and the cultural place of authors who do not publish

Nevertheless, these women have made an enormous contribution to literature and culture. This reference explores the extraordinary achievement of Jewish American women novelists, poets, and playwrights who have written in English. Every effort was made to provide a representative selection of writers, and the final list was determined after consultation with specialists and scholars. The volume is composed mainly of entries arranged alphabetically by writer. Many of these women have an indisputable place in the literary canon, while others are relative newcomers to the field. Still others are being rediscovered after years of neglect. The profiles provide a biography, bibliography, and survey of criticism for each author. Each also provides an analysis of the writer's work by a scholar in Jewish American literature, women's studies, or a related field. An introductory essay defines the scope of Jewish American women's literature, while a special chapter is devoted to writers of autobiographies who document the experience of Jewish women in America. **Feminist Writers** Pamela L. Shelton, 1996. Concise discussions of the lives and principal works of feminist writers from all time periods, written by subject experts.
