

A CRITIQUE OF  
MORAL  
KNOWLEDGE

Yves R. Simon

translated with an Introduction  
by Ralph McInerny

# Critique Of Moral Knowledge

**Peter Coffey**

## **Critique Of Moral Knowledge:**

**A Critique of Moral Knowledge** Yves R. Simon, 2002 This translation will be of value to all who are interested in tracking the work of this influential thinker and will be an important contribution to the twentieth century conversation on philosophy politics religion and ethics BOOK JACKET **A Critique of a Priori Moral Knowledge** Ashley Alexander Lane, 2018

**Moral Knowledge** Ellen Frankel Paul, Fred Dycus Miller, Jeffrey Paul, 2001 Philosophers since ancient times have pondered how we can know whether moral claims are true or false The first half of the twentieth century witnessed widespread skepticism concerning the possibility of moral knowledge Indeed some argued that moral statements lacked cognitive content altogether because they were not susceptible to empirical verification The British philosopher A J Ayer contends that They are pure expressions of feeling and as such do not come under the category of truth and falsehood They are unverifiable because they do not express genuine propositions The second half of the twentieth century brought a revival of interest among philosophers in moral and political questions Whether or not ethics can be founded upon a rational basis continues to preoccupy the philosophical community even now **The Disappearance of Moral Knowledge** Dallas Willard, 2018-06-12 Based on an unfinished manuscript by the late philosopher Dallas Willard this book makes the case that the 20th century saw a massive shift in Western beliefs and attitudes concerning the possibility of moral knowledge such that knowledge of the moral life and of its conduct is no longer routinely available from the social institutions long thought to be responsible for it In this sense moral knowledge as a publicly available resource for living has disappeared Via a detailed survey of main developments in ethical theory from the late 19th through the late 20th centuries Willard explains philosophy's role in this shift In pointing out the shortcomings of these developments he shows that the shift was not the result of rational argument or discovery but largely of arational social forces in other words there was no good reason for moral knowledge to have disappeared The Disappearance of Moral Knowledge is a unique contribution to the literature on the history of ethics and social morality Its review of historical work on moral knowledge covers a wide range of thinkers including T H Green G E Moore Charles L Stevenson John Rawls and Alasdair MacIntyre But most importantly it concludes with a novel proposal for how we might reclaim moral knowledge that is inspired by the phenomenological approach of Knud Logstrup and Emmanuel Levinas Edited and eventually completed by three of Willard's former graduate students this book marks the culmination of Willard's project to find a secure basis in knowledge for the moral life The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Any third party material in this book is not included in the OA Creative Commons license unless indicated otherwise in a credit line to the material Please direct any permissions enquiries to the original rightsholder Funded by Dallas Willard Ministries and the Willard Family Trust **In Search of Moral Knowledge** R. Scott Smith, 2014-05-02 For most of the church's history people have seen Christian ethics as normative and universally

applicable Recently however this view has been lost thanks to naturalism and relativism R Scott Smith argues that Christians need to overcome Kant's fact value dichotomy and recover the possibility of genuine moral and theological knowledge

**Moral Knowledge** Alan H. Goldman, 2020-07-20 Originally published in 1988 this book discusses if moral knowledge exists and if so if it is similar to other forms of knowledge This book approaches the issues from both historical and contemporary perspectives and in order to determine whether there is a real property of rightness looks to the ethical theories of Hobbes Hume and Kant This historical analysis leads to a systematic comparison of three theories of the nature of ethics realism emotivism and coherentism The nature of coherence is explained using legal reasoning as a model Moral reasoning is compared and contrasted with reasoning both in science and law showing how ethics differs from science and empirical disciplines

**Epistemology ; Or, The Theory of Knowledge: pt. IV. The data of intellectual knowledge: sense perception. pt. V. Truth and certitude: their criteria and motives** Peter Coffey, 1917

**The Development of Sociomoral Knowledge** Hugh Rosen, 1980 Home to the New York Yankees the Bronx Zoo and the Grand Concourse the Bronx was at one time a haven for upwardly mobile second generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream Once hailed as a wonder borough of beautiful homes parks and universities the Bronx became during the 1960s and 1970s a national symbol of urban deterioration Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson crime and housing abandonment turning blocks of apartment buildings into gutted graffiti covered shells and empty trash filled lots In this revealing history of the Bronx Evelyn Gonzalez describes how the once infamous New York City borough underwent one of the most successful and inspiring community revivals in American history From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York's growing and increasingly more diverse African American and Hispanic populations this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods the heady optimism of industrial progress and the despair of economic recession and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough's rejuvenation In recounting the varied and extreme transformations this remarkable community has undergone Evelyn Gonzalez argues that it was not racial discrimination rampant crime postwar liberalism or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s Rather the decline was inextricably connected to the same kinds of social initiatives economic transactions political decisions and simple human choices that had once been central to the development and vitality of the borough Although the history of the Bronx is unquestionably a success story crime poverty and substandard housing still afflict the community today Yet the process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future

*Epistemology; Or, The Theory*

of Knowledge Peter Coffey,1917      **pt. IV. The data of intellectual knowledge: sense perception. pt. V. Truth and certitude: their criteria and motives** Peter Coffey,1917      Concern for the Other Svend Andersen,Kees van Kooten Niekerk,2007-12-11 In Concern for the Other The Ethics of K E L gstrup eleven scholars examine the structure intention and originality of L gstrup s ethics as a whole This collection of essays is a companion to Beyond the Ethical Demand as well as to The Ethical Demand The essays examine L gstrup s crucial concept of the sovereign expressions of life his view of moral principles as a substitute for or inferior form of ethics his relationships to other philosophers including the twentieth century British moral philosophers and the role of his Lutheran background in his ethics L gstrup also firmly advanced the controversial thesis examined by several essays in this volume that the demand for other concern central to his ethics does not depend on religious faith      **The Critics of Herbartianism** Frank Herbert Hayward,M. E. Thomas,1903      Knowing Moral Truth Christopher B. Kulp,2017-05-09 This is a book on metaethics and moral epistemology It asks two fundamental questions i Is there any such thing as non relative moral truth and ii If there is such truth how do we come into epistemic contact with it Roughly the first half of the book is aimed at answering the first question Its animating idea is that we should take our ordinary tutored moral judgments seriously judgments typified by our conviction that it is clearly true that some acts policies social norms et al are morally right or wrong permissible or impermissible praiseworthy or condemnable etc no matter when where or by whom they are performed In order to provide a firm conceptual basis for such judgments the book develops a theory of moral truth based on a theory of moral facts The account of moral truth and moral facts is further grounded on a theory of moral properties In short the book develops a theory of moral realism roughly the view that there are indeed non relative first order moral truths The second half of the book is aimed at answering the second question above Building squarely on the metaethical theories developed earlier the book argues for a non empiricist theory of justified moral belief and knowledge Pivotal to this project is a careful analysis of various forms of moral skepticism by which I mean any conception of morality substantially at odds with the general contours of our ordinary moral thinking All such skepticisms are rejected and in their place a broadly intuitionist epistemically fallibilist theory of moral knowledge is advanced The conclusion reached is that we have very strong reason to believe that our ordinary moral thinking although certainly liable to error is fundamentally sound Moral knowledge is ubiquitous      **Constructive Ethics, a Review of Modern Moral Philosophy in Its Three Stages of Interpretation, Criticism, and Reconstruction** William Leonard Courtney,1886

**Fichte's science of knowledge, a critical exposition** Charles Carroll Everett,1884      **Moral Knowledge** Oliver A. Johnson,2012-12-06 As its title indicates this book is concerned with two different fields of philosophy ethics and epistemology The bulk of the argument is devoted to epistemological questions as these arise within the context of morality Hence the conclusions I reach could probably best be described as prolegomena to the elaboration of a theory of ethics I have plans which I hope will be realized in the next few years of elaborating such a theory I started work on Moral

Knowledge in the summer of 1958 with the help of a University Faculty Fellowship for which I am most grateful of the research for the book as well as a good bit of its writing Much was done in two libraries The University Library Berkeley and the Bodleian Library Oxford Members of the staffs of both libraries by their courtesy and helpfulness lightened immeasurably the task of my research owe a special debt of gratitude to four people to Mr Moral Scepticism and Moral Knowledge Renford Bambrough,2020-07-20 Originally published in 1979 this book shows that a recognition of the rationality of moral judgment and moral action in no way involves us in diminishing our respect for liberty authenticity sincerity or integrity It maintains that the resolution of these issues lies in recognising that the necessary involvement of the emotions in moral judgments and moral choices need not give rise to any hesitation or reluctance to treat moral questions as needing and permitting the use of the resources of human understanding **The Problem of Knowledge** Douglas Clyde Macintosh,1915 An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne,1877 *Moral Understandings* Margaret Urban Walker,2007

### Critique Of Moral Knowledge Introduction

In today's digital age, the availability of Critique Of Moral Knowledge books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Critique Of Moral Knowledge books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Critique Of Moral Knowledge books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Critique Of Moral Knowledge versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Critique Of Moral Knowledge books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Critique Of Moral Knowledge books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Critique Of Moral Knowledge books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Critique Of Moral Knowledge books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Critique Of Moral Knowledge books and manuals for download and embark on your journey of knowledge?

### FAQs About Critique Of Moral Knowledge Books

**What is a Critique Of Moral Knowledge PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Critique Of Moral Knowledge PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Critique Of Moral Knowledge PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Critique Of Moral Knowledge PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Critique Of Moral Knowledge PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
