Recherché Entrées - A Collection of the Latest and Most Popular Dishes Charles Herman Senn, 2018-02-22 This classic cook book contains a wonderful collection of recipes for producing delicious and easy to produce entrées. Written in simple clear language and full of invaluable expert tips, *Recherché Entrées* would make for a worthy addition to culinary collections and is not to be missed by collectors of vintage cook books. Charles Herman Senn 1862-1934 was a German writer of cookery books. He wrote profusely on the subject, producing cook books for all manner of people and situations, but was particularly well known for his vegetarian and confectionery recipes. Other notable works by this author include *Breakfast and Supper Dishes* 1898, *A book of Salads* 1922 and *British Red Cross Society Cookery Manual* 1915. Contents include Hot Sweets, Cold Sweets, Ices and How to Make Them, Gateaux and Pastry, Auxiliary Recipes, Sweet Sauces, Hot and Cold etc. The Vintage Cookery Books series hopes to bring old wisdom and classic techniques back to life as we have so much to learn from the old ways of cooking. Not only can these books provide a fascinating window into past societies, cultures and every day life, but they also let us actively delve into our own history with a taste of what, how and when people ate, drank and socialised.

Potluck Dishes Jean Paré, 2005 All new recipes designed to travel and serve with ease.

Storied Dishes Linda Murray Berzok, 2010-11-18 We are what we eat, not just physiologically but culturally. This collection of cross-cultural, generational essays and accompanying recipes shows the profound importance of food dishes within American women's lives. For people of every ethnicity, food provides much more than mere fuel for the body; it contains an invisible component that ties families and generations together with the continuity of shared experience. And for the women who are entrusted with the responsibility of keeping that priceless cultural thread intact, family recipes embody tradition, bridge generation gaps and erase age differences. This book is organized around 50 short essays and recipes presented by women from multicultural backgrounds and dissimilar walks of life. The chapters depict the paths of these individuals in their lives and the details of how they acquired their precious family recipes. The stories document how women universally use inherited family recipes to remember and memorialize key women in their lives and to aid and measure their own growth and development. Included are reminiscences of an Egyptian aunt, a poor mother from Australia, a Katrina-flooded New Orleans family, Turkish relations, Chinese mothers and Indian grandmothers.
