Crockford's Clerical Directory ,1865 **Research for Writers** R. Michael Stewart,2001 **Crockford's Clerical Directory** ,1930 **Silence** Diarmaid MacCulloch,2013-04-04 Diarmaid MacCulloch acknowledged master of the big picture in Christian history unravels a polyphony of silences from the history of Christianity and beyond He considers the surprisingly mixed attitudes of Judaism to silence Jewish and Christian borrowings from Greek explorations of the divine and the silences which were a feature of Jesus s brief ministry and witness Besides prayer and mystical contemplation there are shame and evasion careless and purposeful forgetting Many deliberate silences are revealed the forgetting of histories which were not useful to later Church authorities such as the leadership roles of women among the first Christians or the constant problems which Christianity has faced in dealing honestly with sexuality Behind all this is the silence of God and in a deeply personal final chapter MacCulloch brings a message of optimism for those who still seek God beyond the clamorous noise of over confident certainties

The Writers Directory ,2013 **Charismatics and Postmodernity** Jitesh K. Patel,2025-09-05 Is charismatic renewal a bit too much like postmodernism With its multiple ways of knowing what is true touchy feely and pragmatic with an emphasis on personal story and community why does it look like something dreamt up by postmoderns longing for a church befitting their ideals This book explores these questions by investigating an example of charismatic renewal the Charismatic Movement in the Church of England leading to some surprising results Appearances can be deceiving and what seems postmodern about charismatic renewal is a complex mix of modernism reactions to modernism and a longing to go back to a time before modernism reared its head Jitesh Patel helps show how renewal s ongoing life has much still to contribute to the wider church s life once it recognizes the strengths and weaknesses of how it has formed in the context of modernism and the chapters herein illuminate what its future could look like as a result
