Crofter The Laird The:

The Crofter and the Laird John McPhee, 1992-09-01 When John McPhee returned to the island of his ancestors Colonsay twenty five miles west of the Scottish mainland a hundred and thirty eight people were living there About eighty of these crofters and farmers had familial histories of unbroken residence on the island for two or three hundred years the rest including the English laird who owned Colonsay were incomers Donald McNeill the crofter of the title was working out his existence in this last domain of the feudal system the laird the fourth Baron Strathcona lived in Bath appeared on Colonsay mainly in the summer and accepted with nonchalance the fact that he was the least popular man on the island he owned While comparing crofter and laird McPhee gives readers a deep and rich portrait of the terrain the history the legends and the people of this fragment of the Hebrides My Windows on the Street of the World James Mavor, 1923 Honor de Balzac reference on p 109 On the Crofter's Trail David Craig, 2013-05-13 Tracing the legacies of the small farmers displaced and scattered in nineteenth century Scotland this is a powerful poetic personal Highland Odyssey Times Literary Supplement In the Clearances of the nineteenth century crofts once the mainstay of Highland life in Scotland were swept away as the land was put over to sheep grazing Many of the people of the Highlands and islands of Scotland were forced from their homes by landowners in the Clearances Some fled to Nova Scotia and beyond In this book David Craig sets out to discover how many of their stories survive in the memories of their descendants He travels through twenty one islands in Scotland and Canada many thousands of miles of moor and glen and presents the words of men and women of both countries as they recount the suffering of their forebears David has the eye the imagination and the descriptive density of early Bruce Looking for a Story Noel Rubinton, 2025-05-13 An annotated bibliography that documents Chatwin Toronto Globe Mail the work of the longtime New Yorker writer journalist Pulitzer Prize winner and Princeton professor John McPhee

Stratharran; or, The crofters' revolt Bower Watten, 1887 The Journal of Agriculture ,1861 The Little General and the Rousay Crofters William P. L. Thomson, 1981 The brutal clearances which changed the face of much of rural Scotland in the eighteenth and nineteenth centuries are most often associated with the Highlands However one of the most dramatic conflicts between tenant and landowner took place on the small Orcadian island of Rousay When members of the Royal Commission tasked with assessing the conditions of tenant crofters arrived there the island s owner General William Frederick Traill Burroughs threatened to evict any islander who gave evidence As tension mounted a gunboat arrived to keep the peace and it was only the belated passing of the Crofters Act of 1886 and a special Act of Parliament directed specifically against the general that saved the islands This is the dramatic story of these events At the end of it Burroughs once lauded as a national hero who had seen military action in Crimea and India emerges as a much more complex and human figure that history has previously painted him The Crofter in History Lord Colin Campbell, 1885 The Crofter and the Laird John A. McPhee, 1986 Last of the Free James Hunter, 2011-03-25 Written by award winning

Scottish historian James Hunter this groundbreaking and definitive account reveals how the Highlands and Islands of Scotland have evolved from a centre of European significance to a Scottish outpost Never before has the history of the region been recounted so comprehensively and in so much fascinating often moving detail But this book is not simply the story of humanity s millennia long involvement with one of the world s most spectacular localities It is also a major contribution to present day debate about how Scotland and Britain should be organised
