Crome Yellow Aldous Huxley, 2007-09 Crome Yellow the first novel by acclaimed British author Aldous Huxley in 1921 is a satirical story of fads and fashion of the period Taking place at a country house known as Crome and is known for its gatherings of bright young things Owner and self appointed historian of the house Henry Wimbush tells the guests fantastical stories of the house The hero of the story Denis Stone works to capture the details of this adventure in poetry while also having his heart broken Crome Yellow is a highly recommended read for those who enjoy witty satirical novels and also for those who are fans of the works of Aldous Huxley

Crome Yellow (Illustrated) Aldous Huxley, 2021-09-27 Crome Yellow is the first novel by British author Aldous Huxley published in 1921 In the book Huxley satirises the fads and fashions of the time It is the story of a house party at Crome a parodic version of Garsington Manor home of Lady Ottoline Morrell a house where authors such as Huxley and T S Eliot used to gather and write The book contains a brief pre figuring of Huxley's later novel Brave New World

Mr Scogan one of the characters describes an impersonal generation of the future that will take the place of Nature's hideous system. In vast state incubators rows upon rows of gravid bottles will supply the world with the population it requires. The family system will disappear, society sapped at its very base will have to find new foundations and Eros beautifully and irresponsibly free will flit like a gay butterfly from flower to flower through a sunlit world. *Crome Yellow* Aldous Huxley, 2013-02-17

A comical cast of outlandish characters has gathered in the small English town of Crome for a social outing at the estate of Henry Wimbush. Among the odd learned guests are a highly prolific writer, an idealist with plans for a Rational State, and a sensitive poet haplessly in love with Wimbush's niece. **Crome Yellow [Didactic Press Paperbacks]** Aldous Huxley, 2017-04-19

Denis Stone, a naive young poet, is invited to stay at Crome, a country house renowned for its gatherings of bright young things. His hosts, Henry Wimbush and his exotic wife Priscilla, are joined by a party of colourful guests whose intrigues and opinions ensure Denis's stay is a memorable one. First published in 1921, *Crome Yellow* was Aldous Huxley's much acclaimed debut novel. **Aldous Huxley Between East and West**, 2021-11-01

Although the title of this volume is *Aldous Huxley between East and West*, the order of the articles found within goes from West to East, which naturally imitates Huxley's own progress, especially since he went to the trouble of stepping out as far West as possible before starting for the East. Indeed, one could argue that he was already on his way there before he left for California, a continuous journey perhaps, since from the Californian shores of the Pacific the East is the further West. After the Introduction, which places Huxley between East and West, the book starts with a consideration of Huxley's family connections, then goes on to his earliest fictions, his interest in science and the issue of modernity, and his experiments with drama and their inherent philosophical concerns. The poetry with which he began his writing career is then viewed as a link between his earlier Western self and his later Oriental interests, suggesting that the latter was always inherent in the former. A number of considerations of the Utopian themes in Huxley's middle and later fiction leads the volume to a climax with four articles surveying the foibles and the wisdom of Huxley's encounter with Eastern religious thought and philosophy, his misunderstandings as well as ours of what actually he had learned and wished to pass on to the Western world. *Crome Yellow (Annotated)* Aldous Huxley, 2021-09-19

Crome Yellow is the first novel by British author Aldous Huxley. It was published in 1921. In the book, Huxley satirises the fads and fashions of the time. It is the witty story of a house party at Crome, a lightly veiled reference to Garsington Manor, a house where authors such as Huxley and T. S. Eliot used to gather and write. We hear the history of the house from Henry Wimbush, its owner and self-appointed historian; apocalypse is prophesied, virginity is lost, and inspirational aphorisms are gained in a trance. Our hero, Denis Stone, tries to capture it all in poetry and is disappointed in love. **Aldous Huxley - Crome Yellow** Aldous Huxley, 2016-12-14

Writing Noise in Interwar Britain Anna Snaith, 2025-10-27 Interwar Britain called the age of noise witnessed a pervasive preoccupation with unwanted sound With the rising hum of air and road traffic the roar of industry and the reverberations of newly popular sound technologies everyday urban din became an increasingly urgent subject of interrogation Practitioners across the arts and sciences sought to listen in to represent and regulate the causes and effects of excess or disruptive sound Noise was one of the pre eminent frameworks for conceptualizing modernity and its effects Writing Noise in Interwar Britain explores this multi disciplinary preoccupation and argues for its connection to the sonic legacy of the First World War The extreme decibel levels of the conflict brought about not only a concern with the effects of noise on minds and bodies but a reconceptualization of the material effects of everyday sound Modernist writers were at the forefront of this sonic mindedness and derived creative fuel from tuning in to the noisescape found in war zones cities factories domestic spaces and the countryside In this way literary fiction is not only a key source of auditory history but a site in which definitions of unwanted or resistant sound were rehearsed Sound became noise and vice versa This volume brings literary studies into conversation with the history of medicine technology and industrial psychology to demonstrate the importance of noise to understandings of technological modernity and the racial gender and class politics of national identity of this period Noise is about power its designation can be a silencing technique brought to bear on marginalized individuals or communities as much as it can be a mode of protest against those very measures Underground Writing David Welsh, 2010-05-04 The purpose of this book is to explore the ways in which the London Underground Tube was mapped by a number of writers from George Gissing to Virginia Woolf From late Victorian London to the end of the World War II underground writing created an imaginative world beneath the streets of London The real subterranean railway was therefore re enacted in number of ways in writing including as Dantean Underworld or hell as gateway to a utopian future as psychological looking glass or as place of safety and security The book is a chronological study from the opening of the first underground in the 1860s to its role in WW2 Each chapter explores perspectives on the underground in a number of writers starting with George Gissing in the 1880s moving through the work of H G Wells and into the writing of the 1920s 1930s including Virginia Woolf and George Orwell It concludes with its portrayal in the fiction poetry and art including Henry Moore of WW2 The approach takes a broadly cultural studies perspective crossing the boundaries of transport history literature and London urban studies It draws mainly on fiction but also uses poetry art journals postcards and posters to illustrate It links the actual underground trains tracks and stations to the metaphorical world of underground writing and places the writing in a social political context **Crome Yellow (Classic Reprint)** Aldous Huxley, 2015-07-13 Excerpt from Crome Yellow A long this particular stretch of line no express had ever passed All the trains the few that there were stopped at all the stations Denis knew the names of those stations by heart Bole Tritton Spavin Delawarr Knipswich for Timpany West Bowlby and finally Camlet on the Water Camlet was where he always got out leaving the train to creep indolently onward

goodness only knew whither into the green heart of England They were snorting out of West Bowlby now It was the next station thank Heaven Denis took his chattels off the rack and piled them neatly in the corner opposite his own A futile proceeding But one must have something to do When he had finished he sank back into his seat and closed his eyes It was extremely hot About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
