*Crooked Letter, Crooked Letter* Tom Franklin, 2010-10-05 The classic trifecta of talent heart and a bone deep sense of storytelling A masterful performance deftly rendered and deeply satisfying For days on end I woke with this story on my mind David Wroblewski A powerful and resonant novel from the critically acclaimed author of *Smonk* and *Hell at the Breech* *Crooked Letter* *Crooked Letter* tells the riveting story of two boyhood friends torn apart by circumstance who are brought together again by a terrible crime in a small Mississippi town An extraordinary novel that seamlessly blends elements of crime and Southern literary fiction *Crooked Letter* *Crooked Letter* is a must for readers of Larry Brown Pete Dexter Ron Rash and Dennis Lehane In the late 1970s Larry Ott and Silas 32 Jones were boyhood pals Their worlds were as different as night and day Larry the child of lower middle class white parents and Silas the son of a poor single black mother Yet for a few months the boys stepped outside of their circumstances and shared a special bond But then tragedy struck Larry took a girl on a date to a drive in movie and she was never heard from again She was never found and Larry never confessed but all eyes rested on him as the culprit The incident shook the county and perhaps Silas most of all His friendship with Larry was broken and then Silas left town More than twenty years have passed Larry a mechanic lives a solitary existence never able to rise above the whispers of suspicion Silas has returned as a constable He and Larry have no reason to cross paths until another girl disappears and Larry is blamed again And now the two men who once called each other friend are forced to confront the past they ve buried and ignored for decades

*Crooked Letter* Sean Williams, 2009-12-02 When mirror twins Seth and Hadrian Castillo travel to Europe on holidays they don t expect the end of the world to follow them Seth s murder however puts exactly that into motion From opposite sides of death the Castillo twins grapple with a reality neither of them suspected although it has been encoded in myths and legends for millennia The Earth we know is just one of many realms three of which are inhabited by humans during various stages of their lives And their afterlives In the tradition of Philip Pullman and Ursula K Le Guin and inspired by numerous arcane sources the Books of the Cataclysm begin in the present world but soon propel the reader to a landscape that is simultaneously familiar and fantastic

*Crooked Letter i* Connie Griffin, 2016-03-01 *Crooked Letter i* offers a collection of first person nonfiction narratives that reflect the distinct coming out experiences of a complex cross section of gay lesbian and transgendered Southerners from all walks of life and at different stages in their lives There is the Appalachian widower who following the death of his wife decides it s time to tell his church community There is the young man who left his hometown as a girl returning hesitant but hopeful for his grandmother s love There is the adolescent girl who refuses to surrender her soul to Jesus because she is not yet certain of her own beliefs There is the well mannered Southern gentleman who hopes his blueberries and biscuits will help ease the awkwardness of coming out to his elderly neighbor There are the ones who survived the frequent bar raids arrests and beatings But there is also the first kiss and the

first love The experiences represented here pivot around a central theme finally finding language to understand one's identity and then discovering we were never the only ones Revealing a vibrant cross section of Southerners the writers of these narratives have in common the experience of being Southern and different but determined against all odds
