wonderful object lesson ever given to mankind Drawing solely from Scripture Haskell provides a clear concise understanding of how the Old Testament sanctuary captures the entire theme of the gospel Readers will learn each facet of the sanctuary and its services the different offerings and feasts and the work of the High Priest which directly illustrates the gospel of salvation through Jesus Christ As the book so clearly points out in the sanctuary the cross of Christ is the great center of the whole scheme of human redemption Around it clusters every truth of the Bible Scripture references abound in this book which covers types versus antitypes the Biblical feasts the priesthood Levitical laws and ceremonies and the use of the urim and thummim to discover God s will The twelve tribes the significance of Jacob s son s names the prophecies of Jacob and even the 144 000 all come within the purview of this Scripture based book The Cross and It s Shadow presents a clear contrast between the earthly sanctuary and the heavenly sanctuary as well as an enlightening overview of both the daily and annual responsibilities of the priests Ellen G White a contemporary and personal friend of Stephen Haskell s encouraged him to write this book which lives up to her endorsement This book is an absolute must for any Bible student desiring a better understanding of the Old Testament sanctuary and the meaning of the its symbols ordinances and services The Writings
