Cross And The Pear Tree A Sephardic Journey:

The Cross and the Pear Tree Victor Perera, 1996-01-01 Tracing the dramatic lives through 500 years of the old and distinguished Sephardic Jewish family from whom he is descended Victor Perera brilliantly re creates the history not only of his own people but of an entire culture The story he tells begins in Spain in the fifteenth century when the Sephardim are offered a choice of conversion exile or death It is the story of a richly flourishing tradition intellectual religious worldly and spiritual interrupted by massively cruel events a story of persecution escape and renewal carrying us from the Iberian Peninsula across Europe to the Holy Land and Central America And the Pere i ras whose lives we enter are both fascinating in themselves and emblematic of the Sephardic diaspora created by the Inquisition and the Expulsion some of them under threat of torture and execution capitulating to the Cross or becoming Marranos crypto Jews who practiced their ancestral religion in secret others remaining loyal to the pear tree that became their symbol and crest Among the Marranos Ana Pereira a merchant s daughter a Sephardic convert in Portugal who at age fifteen was sentenced to wear penitential raiment and undergo spiritual penances in prison where under torture she incriminated fifteen of her close relations Among the reclaimed the fabulously wealthy magnate and author Abraham Israel Pereira who participated in the excommunication of philosopher Baruch Spinoza and the beautiful Maria Nunes who was abducted to Shakespeare s England and rejected the marriage proposal of a duke and Queen Elizabeth s entreaties on his behalf marrying instead a cousin in Amsterdam s first Jewish wedding In nineteenth century France we follow the meteoric rise of the brothers Emile and Isaac Pereire who founded the French railroads and the Credit Mobilier banking system Over the centuries the stories of Pereras in all walks of life among them rabbis and Kabbalistic scholars in the Holy Land unfold **The Cambridge Companion to Jewish**

American Literature Hana Wirth-Nesher, Michael P. Kramer, 2003-06-12 For more than two hundred years Jews have played important roles in the development of American literature The Cambridge Companion to Jewish American Literature addresses a wide array of themes and approaches to the distinct yet multifaceted body of Jewish American literature Essays examine writing from the 1700s to major contemporary writers such as Saul Bellow and Philip Roth Topics covered include literary history immigration and acculturation Yiddish and Hebrew literature popular culture women writers literary theory and poetics multilingualism the Holocaust and contemporary fiction This collection of specially commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity religion politics race gender ideology history and ethics and places it in the contexts of both Jewish and American writing With its chronology and guides to further reading this volume will prove valuable to scholars and students alike The Colors of Jews Melanie Kaye/Kantrowitz, 2007-06-14 Exposes and challenges the common assumptions about whom and what Jews are by presenting in their own voices Jews of color from the Iberian Peninsula Asia Africa and India Kaye Kantrowitz delves into the largely uncharted territory of Jews of color and argues that Jews are an increasingly multiracial people From publisher description **Re-envisioning Jewish**

Identities Efraim Sicher, 2021-08-30 This innovative study shows how the imaginary constructions of self and Other are shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking

Memories of the Maghreb Adolfo Campoy-Cubillo, 2012-10-22 Using a cultural studies approach this book explores how the Spanish colonization of North Africa continues to haunt Spain s efforts to articulate a national identity that can accommodate both the country s diversity brought about by immigration from its old colonies and the postnational demands of its integration in the European Union
