**The Tragic & Triumphant Cross** Stephen J. Binz,2005 The cross is the both worlds most contemptible instrument of punishment and the symbol of humanity s greatest hope In turning this tool of torture into his followers proudest boast Jesus produced the most dramatic reversal the world has ever experienced Worn around our necks hung in our homes carried in procession and set on mountaintops the cross speaks to what we believe about Jesus and about how we understand our lives in relationship to him This study plumbs the depths of Scripture for the horrible and glorious significance of the world s most beloved symbol Ideal for Lent and Easter seasons      *The Cross in the Old Testament* H. Roberts,2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer [www.themysteryofthecross.com](http://www.themysteryofthecross.com)      *The Cross in the New Testament* Leon

Morris,2006-11-01 From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris one of this generation s most respected evangelical scholars here offers a survey of the vast subject of atonement as it is presented in the New Testament THE CROSS IN THE NEW TESTAMENT explores in turn Matthew and Mark the Lukan writings John the Pauline epistles Hebrews the catholic epistles and Revelation showing what each New Testament scripture contributes to our understanding of atonement While Morris emphasizes the need to appreciate the many strands woven into this doctrine he criticizes the views of modern scholars that do not square with the biblical teaching At the heart of the doctrine of atonement is the idea of substitution Morris believes and his thorough examination and defense of substitutionary atonement make this volume a theological apologetic of great significance Trusted as an exhaustive and reliable work of scholarship for over forty years The Cross in the New Testament remains an invaluable text for serious students of the Bible      **The Cross in the Old Testament.
