Tabooed Jung: Marginality as Power C. Gallant, 2016-02-02 Ever since Jung's break with Freud he has been excluded from both the psychoanalytic discourse and those schools of literary criticism influenced by psychoanalysis But this very exclusion has shaped the discourse Further many of the analytic writings of Jung and the post Jungian school of Developmental Jungians are parallel to work by contemporary ego psychologists and feminists and could contribute to those fields Jung's entire case throws much light upon the state of marginalization its effects and its powers **American**

Women Theatre Critics Alma J. Bennett, 2014-01-10 While the history of American theatre has been widely documented the history of its female reviewers has been routinely overlooked This book seeks to correct that oversight by exploring the role of the great female American critics thereby expanding their canonical status The anthology provides a brief description of the women's lives their working conditions samples of their writing and supporting analyses For some readers this will be a first encounter with women who deserve to be represented in the American theatre of their times and recognized for their contributions to the development of dramatic theory and criticism *Humanistic Aspects of Technical Communication* Paul.

M. Dombrowski, 2020-11-25 This book has two audiences and purposes The first audience comprises teachers of technical communication and graduate and undergraduate students commonly from English programs and without technical backgrounds The purpose for them is to introduce technical communication from the avenue of humanities with which many are familiar and allied The book serves them as an adjunct to conventional textbooks The second audience comprises scholars and practicing professionals already familiar with technical communication The purpose for them is to provide a handy collection with introduction of significant essays on recent humanistic developments **Critical Concepts for the**

The Disobedient Writer Nancy A. Walker, 1995 For centuries women who aspired to write had to enter a largely male literary tradition that offered few if any literary forms in which to express their perspectives on lived experience Since the nineteenth century however women writers and readers have been producing disobedient counter narratives that while clearly making reference to the original texts overturn their basic assumptions This book looks at both canonical and non canonical works over a variety of fiction and nonfiction genres that offer counter readings of familiar Western narratives Nancy Walker begins by probing women's revisions of two narrative traditions pervasive in Western culture the biblical story of Adam and Eve and the traditional fairy tales that have served as paradigms of women's behavior and expectations She goes on to examine the works of a wide range of writers from contemporaries Marilynne Robinson Ursula Le Guin Anne Sexton Fay Weldon Angela Carter and Margaret Atwood to precursors Caroline Kirkland Fanny Fern Mary De Morgan Mary Louisa Molesworth Edith Nesbit and Evelyn Sharp

Dorothy Livesay's Poetics of Desire Nadine McInnis, 1994 In this study of Dorothy Livesay's love poetry Nadine McInnis focuses on Livesay's maturing sense of herself as an artist exploring the sexual textual conflicts present in much of Livesay's love poetry and their later resolution McInnis is an important young poet Poetics of Desire is a perceptive and persuasive account of Livesay's lifelong poetic struggle with the personal and social implications of love David Staines Editor Journal of Canadian Poetry

The Madonna Connection Cathy Schwichtenberg, 1993 Various cultural theories foremost among them postmodernism have figured in the debate over the politics of representation These theories have tended to look at representation in the context of either audience enablement or commercial constraint that is do the images empower the public or inhibit it One key area consistently overlooked has been the study of subcultural or subordinate groups that appropriate what is traditionally considered mainstream The Madonna Connection is the first book to address the complexities of race gender and sexuality in popular culture by using the influence of a cultural heroine to advance cultural

theory Madonna's use of various media music concert tour film and video serves as a paradigm by which the contributors study how images and symbols associated with subcultural groups multiracial gay and lesbian feminist are smuggled into the mainstream Using a range of critical and interpretive approaches to this evolving and lively cultural phenomenon the contributors demonstrate the importance of personalities like Madonna to issues of enablement and constraint Are others given voice by political interventions in mass popular culture Or is their voice co-opted to provide mere titillation and maximum profit What might the interplay of these views suggest These are some of the questions the contributors attempt to answer Some celebrate Madonna's affirmation of cultural diversity Others criticize her flagrant self-marketing strategies And still others regard her as only a provisional challenge to the mainstream

A Discussion of the Ideology of the American Dream in the Culture's Female Discourses Adrienne Kalfopoulou, 2000 By deconstructing the gendered terms of cultural representations of the American self this project traces the many faceted discursive possibilities of female desire in relation to community *New Books on Women and Feminism*, 1986 **Masterplots II.** Frank Northen Magill, 1995 Contains 536 essays that examine the most important books of fiction and nonfiction authored by women
