Crossing Borders Essays On The Political:

Crossing Borders Sir Bernard Crick, 2016-10-06 Bernard Crick's mastery of the political essay is matched by few if any modern political writers. This new collection demonstrates the wide range of his writing with characteristically bold argumentative and witty pieces on British identity, on the Northern Irish peace process, on New Labour, on Shaw, Berlin, Laski and Arendt, and on the present state of political writing. It will enlighten, provoke and amuse readers keen to engage with political ideas and arguments current at the turn of the millennium. Crossing Borders Bernard Crick, 2001 Crossing Borders Tapan Basu, Tasneem Shahnaaz, 2017-05-04 Crossing Borders is a gathering of twenty original interdisciplinary essays on the paradigm of borders in African American literature, multi-ethnic U.S. studies and South Asian studies. These essays by established and mid-career scholars from around the globe employ a variety of approaches to the idea of border crossings and represent important contributions to the discourses on modernity, diasporic mobility, populism, migration, exile, sub-nation, trans-nation, as well as the formation of nationalities, communities and identities. Borders in these contexts signify social and national inequities and hierarchies and also the ways to challenge and transgress entrenched barriers sanctioned by habit, custom and law. The volume also honors and celebrates the life and work of Amritjit Singh as a teacher, mentor, author, scholar and editor over half a century. **Crossing Borders** Tapan Basu, Tasneem Shahnaaz, 2017-05-04 Crossing Borders is a gathering of twenty original interdisciplinary essays on the paradigm of borders in African American literature, multi-ethnic U.S. studies and South Asian studies. E. Chehabi, **Reading(s) / across / Borders**, 2020-03-23 This collection emphasizes a cross-disciplinary approach to the relevance of borders and bordering as a spatial paradigm in Anglophone studies. It sets out to provide a critical counter-narrative to the 1990s globalization argument of a borderless world by insisting on the significant roles borders play. The essays range in subject matter from geography, history, British and American literature to painting and Reggae music and map out different conceptualisations of the border, place, line, process, contact zones etc. The volume's cross-border narrative serves as a point of communication between the local and the global, between Europe and America, between different literary and artistic genres, thus challenging the divides of geography and literature between real territorial borders and their fictional counterparts. Groundwork of Phenomenological Marxism Ian H. Angus, 2021-07-26 In Groundwork of Phenomenological Marxism Crisis Body World Ian H. Angus investigates the crisis of reason in a

contemporary context Beginning with Edmund Husserl's *The Crisis of the European Sciences and Transcendental Phenomenology* Angus connects the phenomenology of human motility to Marx's ontology of labor in *Capital* and shows its basis in natural fecundity excess He argues that the formalization of reason creates an inability to foster differentiated community as expected by both Husserl and Marx and that the formalization of human motility by the regime of value reveals the ontological productivity of natural fecundity showing that ecology is the contemporary exemplary science Addressing the crisis requires a philosophy of technology especially digital technology and a dialogue between cultural civilizational lifeworlds which surpasses Husserl's assumption that Europe is the home of reason Angus's overall conception of phenomenology is Socratic in that it is concerned with the presuppositions and applications of knowledge forms in their lifeworld grounding He further shows that the contemporary event is the epochal confrontation between planetary technology and place based Indigeneity This book lays out the fundamental concepts of a systematic phenomenological Marxian philosophy

Essays, Critical and Political John Hutton Balfour Browne, 1907 *Crossing Borders* Robert C. Holub, 1992 Robert C Holub critically investigates the histories of reception theory poststructuralism and deconstruction in postwar Germany and the United States He looks at how imported theories assume a place in the political discourse of a country and how indigenous intellectual traditions and prejudices affect modify or even distort foreign theories Holub addresses many timely questions Why did reception theory so prominent in Germany in the 1960s and 1970s fail to have an impact on American academics until the 1980s Why did poststructuralism and specifically the writings of Michel Foucault fail to find a home in German academia while becoming an important theoretical voice in the United States How did deconstruction originally considered by American scholars as merely a sophisticated tool for analysis get taken up by leftists who argued for an affinity between the critique of language and the critique of capitalism And finally how have American intellectuals responded to revelations of fascism in the pasts of Paul de Man and Martin Heidegger *Crossing Borders* effectively demonstrates the extent to which theoretical work needs to be understood in cultural intellectual and institutional contexts Holub argues that the praxis of theories is determined not only by their content and style but also by the environment in which they must function The success of a transplanted theory he contends is due less to its inherent merits than to the hospitability of the environment on to which it is grafted

Gender History Across Epistemologies Donna R. Gabaccia, Mary Jo Maynes, 2013-02-19 *Gender History Across Epistemologies* offers broad range of innovative approaches to gender history The essays reveal how historians of gender are crossing boundaries disciplinary methodological and national to explore new opportunities for viewing gender as a category of historical analysis Essays present epistemological and theoretical debates central in gender history over the past two decades Contributions within this volume to the work on gender history are approached from a wide range of disciplinary locations and approaches The volume demonstrates that recent approaches to gender history suggest surprising crossovers and even the discovery of common grounds **The**

Crossing Borders Essays On The Political Introduction

In the digital age, access to information has become easier than ever before. The ability to download Crossing Borders Essays On The Political has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Crossing Borders Essays On The Political has opened up a world of possibilities. Downloading Crossing Borders Essays On The Political provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Crossing Borders Essays On The Political has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Crossing Borders Essays On The Political. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Crossing Borders Essays On The Political. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Crossing Borders Essays On The Political, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Crossing Borders Essays On The Political has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical

downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
