## **Crossing The Deadly Ground United States Army Tactics 1865 1899:**

*Crossing the Deadly Ground* Perry D. Jamieson, 2004-03-08 Attempts to answer difficult questions about battle tactics employed by the United States Army Weapons improved rapidly after the Civil War raising difficult questions about the battle tactics employed by the United States Army The most fundamental problem was the dominance of the tactical defensive when defenders protected by fieldworks could deliver deadly fire from rifles and artillery against attackers advancing in close ordered lines The vulnerability of these offensive forces as they crossed the so called deadly ground in front of defensive positions was even greater with the improvement of armaments after the Civil War **Crossing the Deadly Ground** Perry D. Jamieson, 1994 Crossing Deadly Ground Perry D. Jamieson, 1994 **The Rifle Musket in Civil War Combat** Earl J. Hess, 2008 Challenges the longstanding view that the rifle musket revolutionized warfare during the Civil War arguing instead that its actual impact was real but limited and specialized U.S. Army Doctrine Walter E. Kretchik, 2021-06-01 From the American Revolution to the global war on terror U S Army doctrine has evolved to regulate the chaos of armed conflict by providing an intellectual basis for organizing training equipping and operating the military Walter E Kretchik analyzes the service s keystone doctrine over three centuries to reveal that the army s leadership is more forward thinking and adaptive than has been generally believed The first comprehensive history of Army doctrine Kretchik s book fully explores the principles that have shaped the Army s approach to warfare From Regulations For the Order and Discipline of the Troops of the United States in 1779 to modern day field manuals it reflects the fashioning of doctrine to incorporate the lessons of past wars and minimize the uncertainty and dangers of battle Kretchik traces Army doctrine through four distinct eras 1779 1904 when guidelines were compiled by single authors or a board of officers in tactical drill manuals 1905 1944 when the Root Reforms fixed doctrinal responsibility with the General Staff 1944 1962 the era of multiservice doctrine and beginning in 1962 coalition warfare with its emphasis on interagency cooperation He reveals that doctrine has played a significant role in the Army s performance throughout its history although not always to its advantage as it has often failed to anticipate accurately the nature of the next war and still continues to be locked in a debate between advocates of conventional warfare and those who emphasize counterinsurgency approaches Each chapter presents individuals who helped define and articulate Army doctrine during each period of its history including George Washington and Baron von Steuben in the eighteenth century Emory Upton and Arthur Wagner in the nineteenth and Elihu Root and William DePuy in the twentieth Each identifies the first principles set down in manuals covering such topics as tactics operations and strategy size organization and distribution of forces and the promise and challenges of technological innovation Each also presents specific cases that analyze how effectively the Army actually applied a particular era s doctrine Doctrine remains the basis of instruction in the Army school system ensuring that all officers and enlisted soldiers share a common intellectual framework This book elucidates that framework for the first time **Professional Journal of the United States Army**, 1995-07

Army ,1994     *Death in September* Perry D. Jamieson,1999 Civil War Campaigns and commanders The Antietam Campaign     **Parameters** ,1996     **Military Review** ,1995     **General Walter Krueger** Kevin C. Holzimmer,2007 A military biography of the general who led the U S Sixth Army in the Southwest Pacific in World War II including grueling jungle campaigns in New Britain and New Guinea and who was subsequently chosen by General MacArthur to lead the ground invasion of both the Philippines and Japan     *After Clausewitz* Antulio J. Echevarria (II),Antulio Joseph Echevarria,2000 But Echevarria disputes this traditional view and convincingly shows that these theorists Boguslawski Goltz Schlieffen Hoening and their American and European counterparts were not the architects of outmoded theories In fact they duly appreciated the implications of the vast advances in modern weaponry as well as in transportation and communications and set about finding solutions that would restore offensive maneuver to the battlefield BOOK JACKET     *Quarterly Review of Military Literature* ,1995     **The Black Citizen-soldiers of Kansas, 1864-1901** Roger D. Cunningham,2008 A straightforward World War I memoir by Horace Baker a Mississippi schoolteacher who took ship for France in the spring of 1918 as a private in the American Expeditionary Forces and soon fought with the Thirty second Division in General Pershing s offensive at the battle of Meuse Argonne Provided by publisher     The Cost is Sworn to by Women Dawn Anne Ottevaere,2010     *The Writers Directory* ,2013     **Columbiad** ,2000     **How Historians Work** Judith Lee Hallock,John C. Waugh,Drake Bush,2010 History does not simply happen Most often it is the result of years of graduate training assiduous research and careful writing Without historians we would be ignorant of our history Yet far too often we focus on the final product and ignore the dedicated men and women who have dedicated their lives to producing the books So how do historians work The answer as revealed in the pages of this exciting new anthology is as varied as the historians themselves The editors have interviewed some of the nation s most highly respected practitioners to determine their approach to teaching research and writing While no two of them work the same way they all share the conviction that the study of history is vital to mankind s sense of itself They value rigorous training and conscientious professionalism Both aspiring and professional historians will delight in learning how historians do their work define their craft and work their magic     The Civil War Round Table Civil War Round Table (Chicago, Ill.),1991     America, History and Life ,1998 Article abstracts and citations of reviews and dissertations covering the United States and Canada
