Crossing The Line:

Crossing the Line Gayle Wald, 2000-07-24 Examines constructions of racial identity through the exploration of passing narratives including Black Like Me and forties jazz musician Mezz Mezzrow's memoir Really the Blues Crossing the Line Candace Ward, 2017-08-17 Crossing the Line examines a group of early nineteenth century novels by white creoles writers whose identities and perspectives were shaped by their experiences in Britain's Caribbean colonies Colonial subjects residing in the West Indian colonies beyond the line these writers were perceived by their metropolitan contemporaries as far removed geographically and morally from Britain and true Britons Routinely portrayed as single minded in their pursuit of money and irredeemably corrupted by their investment in slavery white creoles faced a considerable challenge in showing they were driven by more than a desire for power and profit Crossing the Line explores the integral role early creole novels played in this cultural labor The emancipation era novels that anchor this study of Britain's Caribbean colonies question categories of genre historiography politics class race and identity Revealing the contradictions embedded in the texts constructions of the Caribbean realities they seek to dramatize Candace Ward shows how these white creole authors gave birth to characters and enlivened settings and situations in ways that shed light on the many sociopolitical fictions that shaped life in the anglophone Atlantic Crossing the Line Simon J. Bronner, 2006 For centuries new sailors from European and North American countries have been subjected to an elaborate hazing at sea called crossing the line Typically initiated upon a crossing of the equator the beatings dunkings sexual play and drinking displays that constitute crossing the line have in recent decades been banned by some fleets but they have also been the subject of staunch defenses and fond reminiscences Crossing the Line studies the purpose and the changing meaning of the ceremony substantially revising long held assumptions **Crossing the Line** Dr. Larry Little, 2021-01-26 There is no rulebook for leadership it is not a binary science but rather a developed skill of persistently earning the right to influence those around you As a leader you must drive execution and get results You must also gain the trust and cultivate the culture of your team Strong leaders must learn how to successfully navigate above and below the line that separates tasks processes and execution from values vision and relationships This book is a handbook for doing just that crossing the leadership line and effectively leading people who think differently than you do to come together and accomplish shared goals Whether you're leading a team at work or investing in your relationships at home this book will inspire and guide you to cross the line and truly make a difference in the lives of those you love live with and lead Dr Little provides a powerful resource for anyone who values relationships of any kind Professionally it is a must for business leaders who care about their people Personally it is very simply a life changer Dave King President of Dynetics a Leidos Company CROSSING THE LINE: Taking Steps to End Homelessness Diane D. Nilan, 2005-11-07 Few social issues have perplexed Americans like homelessness Crossing the Line Taking Steps to End Homelessness changes that This reader friendly handbook is for those puzzled concerned impatient or oblivious about

homelessness Decades of unremitting growth of homelessness continue to contradict this nation's prosperity The old woman toting her belongings in the rain the invisible family washing up in the restaurant bathroom the teen living in the public library or the shrouded figure sleeping in the park all swept under this nation's rug of shame Few families are immune from homelessness yet wholehearted approaches don't seem to attract the national attention energy and resources required for solutions Rampant poverty and despair uncovered in the aftermath of Hurricane Katrina began to raise awareness but a vast learning gap still exists for most Nilan takes readers on a staggering journey that clarifies homelessness in a way that inspires action This ordinary person doing extraordinary work for the past 20 years has compiled an engrossing chronicle of her extensive experience with homeless adults and children painting spellbinding images of the often nameless and frequently forgotten individuals Her passion for this issue and those labeled with the often negative designation homeless burns throughout this riveting work Crossing the Line takes readers behind the scenes at a hectic suburban emergency shelter and introduces an unlikely cast of characters who confirm the path to homelessness is easier to enter than to exit Nilan's perceptions and her direct style avoid clichéd stereotypes as she depicts scoundrels and saints She spares neither alcoholic nor lawmaker She extols virtues of convicts and congresspersons She challenges the affluent and the righteous don't just stand there do something She holds the hands of first time shelter volunteers She guides those unable to volunteer but who want to alleviate suffering She points out seldom acknowledged systemic shortcomings and identifies societal faults without sparing herself Disarming revelations about her foibles and fears remove excuses that only special or professionally trained people can help inspiring ordinary persons to alleviate the suffering and injustice of homelessness Nilan offers seldom revealed insights about this nation's poverty policies Her book hits personal security in the gut with stories about who ends up homeless Weaving her personal story throughout this book Nilan clarifies personal responsibility of all Americans in addressing homelessness and bringing about solutions No one is exempt rich or poor powerful or inconsequential in restoring the American Dream and eliminating the nightmare of homelessness This unique chronicle allows readers to learn about the topic that only rises to the nation's attention when tragedies like Hurricane Katrina hit It should be required reading for every political and religious leader social worker and educator journalist and news director philanthropist and aspiring do gooder Finally a book exists that tells a story about maligned persons that not only does them justice but demands justice for them Nilan's willingness to take on this topic matches her motivation to ensure many more people Cross the Line It's a journey worth taking *Crossing the Line Baja 1000* James D. Huss jr,2011-06-10 Jay Huss is young idealistic and honest to a fault That's why he's handed the opportunity of a lifetime running the Baja 1000 Locked in with the Mexican Mafia Jay finds himself running drugs through the border of Mexico to the United States Soon it becomes clear that what he thought was friendship becomes deadly *Sam Parker Collection* Sam Parker,2008 **Crossing the Line** Sarah B. Towle,2024-06-18 It was family separation and kids in cages that drove Sarah Towle to the U S southern

border On discovering the many headed hydra that is the U S immigration system and the heroic determination of those caught under its knee she could never look away again Crossing the Line Finding America in the Borderlands charts Sarah s journey from outrage to activism to abolition as she exposes layer by broken layer the global deterrence to detention to deportation complex that is failing everyone save the profiteers and demagogues who benefit from it Deftly weaving together oral storytelling history and memoir Sarah illustrates how the U S has led the retreat from post WWII commitments to protecting human rights Yet within the web of normalized cruelty she finds hope and inspiration in the extraordinary acts of ordinary people who prove every day there is a better way By amplifying their voices and celebrating their efforts Sarah reveals that we can welcome with dignity those most in need of safety and compassion In unmasking the real root causes of the so called crisis in human migration she urges us to act before we travel much farther down our current course one which history will not soon forgive or forget

When Reporters Cross the Line Stewart Purvis, Jeff Hulbert, 2013-09-05 When Reporters Cross the Line tells the true story of moments when the worlds of media propaganda politics espionage and crime collide casting journalism into controversy Its pages feature some of the best known names in British broadcasting including John Simpson Lindsey Hilsum and Charles Wheeler There are men and women who went beyond recognised journalistic conventions Some disregarded the code of their craft in the name of public interest some crossed the line in ways that had truly shocking consequences Many of the details have been kept as closely guarded secrets until now This unique account of modern reporting examines the lengths to which journalists on the front line are prepared to go to get a story or to espouse a cause Journalistic heroes and villains abound but certain of those heroes were flawed and some of the villains were surprisingly principled In the heat of war and political conflict boundaries are ignored and ethics forgotten and not just by opposing armies In this extraordinary book Stewart Purvis and Jeff Hulbert offer unparalleled access to the minds of reporters and to the often disturbing decisions they make when faced with extreme situations In doing so it hammers home some unpalatable truths posing the fundamental question where do you draw the line

Crossing the Line Maureen Elizabeth McDonnell, 2005

Crossing the Line Laura Castoro, 2003 Thea Morgan has never fit in The light skinned African American is the recent widow of a white man Now she must face questions of race as she returns to her roots with her daughter and begins to fall for her first love all over again

Crossing the Line Audra North, 2016-06-14 He wanted her the first time he saw her It didn t matter that he was on stage in front of a room full of reporters or that his publicist was telling him to move on or that she was asking him a question about racing One look at her just been bedded hair completely at odds with her deliciously prim appearance and Ty Riggs is hooked Corrine Bellows is one of the woefully few women in a male profession sports reporting In a field where Hey sweetheart can you fetch me a cup of copy is part of her job description she s determined to keep things professional And while interviewing Ty Riggs the hottest new driver on and off the track is a major scoop Corrine knows that she is in major trouble when it becomes clear that Ty wants so much more and is determined

to get it As things heat up between them Corrine finds herself on shakier ground Her big secret just may destroy everything

Crossing The Line Kay Lyons,2019-03-26 Luke Tulane knew better than to touch her Much less spend the night with her But when he returns to Tennessee for yet another brother s wedding and discovers his little sister s best friend pregnant with his child he knows he s really crossed the line Doing the right thing is obvious at least to him But how do you convince a woman whose past is so traumatized by family drama that marriage to him might be worth facing her worst fears

Crossing the Line Crossing the Line,2003 Crossing the Line Lauren Baratz-Logsted,2015-02-03 Even better than the first book BOOKLIST In the madcap sequel to the international hit comedy THE THIN PINK LINE London editor Jane Taylor is at it again only this time there s a baby involved Having SPOILER ALERT found a baby on a church doorstep at the end of the previous book Jane is forced to come clean with all the people in her world when it turns out that the baby is a different skin color than everyone had expected Jane s baby to be As Jane fights to keep the baby battling Social Services and taking on anyone who seeks to get in her path what kind of mother will Jane prove to be Only one thing s for certain no matter how much kinder and gentler she is now she is still and will always be crazy Jane When Corporations Cross the Line Corporation Trust Company,1930 Rand-McNally Official Railway Guide and Hand Book ,1886 Reports of Decisions of the Public Service Commission, Second District, of the State of New York New York (State).
