Dimensions Of A New Identity:

Dimensions of a New Identity Erik H. Erikson, 1979-05-17 The two lectures presented in this important volume were delivered by Erik H Erikson at the second annual Jefferson Lectures in the Humanities sponsored by The National Endowment for the Humanities In the first lecture entitled The Founders Jeffersonian Action and Faith Erikson uses selected themes from Jefferson's life to illustrate some principles of psychohistory In the second lecture The Inheritors Modern Insight and Foresight Erikson applied his main concepts to the problems of ongoing history The title of the lectures contains one such concept New identity is the result of radical historical change and is here meant to characterize the emerging American identity as first embodied in such men as Jefferson Erikson first explores certain themes in his examination of the emerging American identity during Jefferson's time He then attempts to relate the Jeffersonian themes to contemporary problems of repression and suppression of moralistic vindication and true liberation by insight Finally Erikson maintains that now that children will be born by the privileged choice of parental persons an adult environment fitting the living and the to be living becomes an ethical necessity There is no question that this work ranks among Erikson's most challenging and seminal books

Identity's Architect Lawrence Jacob Friedman, 2000 Drawing on private materials and extensive interviews historian Lawrence J Friedman illuminates the relationship between Erik Erikson's personal life and his notion of the life cycle and the identity crisis From publisher's description *A Psychology of Ultimate Concern* Hetty Zock, 2023-12-28 **Real Presence** Regis A. Duffy, 2010-05-01 Why is there so much worship and so little real commitment to living out the Gospel How can there be so much participation in the sacraments and so little growth and transformation in most of our lives In this challenging book of practical theology Regis Duffy tackles vital questions that are seldom asked let alone answered Basing his argument solidly on the New Testament and core Christian teaching Duffy shows how ritual sacrament worship and community have real meaning and worth only when they function as effective symbols of transformation and renewed commitment What is often lacking is not God's presence but our own By relating individual sacraments Initiation Eucharist Penance to studies of the life cycle and stages of faith Real Presence presents a compelling vision of what genuine participation in the Christian community involves throughout our lives Contents The Cutting Edge of Faith Commitment Unearned Gifts and Their Symbols Conflict as Crossroads for the Christian A Question of Presence The People in the Water Servants at Table Fragmented Stories The Future Community Now Congressional Record United States. Congress, 1973

Exploring Heavenly Places - Volume 9 - Travel Guide to the Width, Length, Depth and Height Paul Cox,Barbara Parker,2018-02-27 As we explore the heavenly places the Holy Spirit is always our guide or in a sense our spiritual travel agent In this volume our exotic destinations are the width length depth and height of which the Apostle Paul wrote in the book of Ephesians The enemy is adept at producing corrupt imitations of God s perfect creation and these realms are no exception but the love of God in Christ Jesus our Lord always outweighs the worst destruction of evil Therefore we examine both the righteous and unrighteous versions sharing revelatory insights from the Lord regarding how to escape from the ungodly places and dwell in the righteous width length depth and height where we will enjoy the abundant blessings of God
