Dimensions of History Mubarak Ali Khan,2012 **Notices of the Proceedings** Royal Institution of Great Britain,1922 **The Journal of Military History** ,1993 **Teaching controversial issues in Secondary Education** Delfin Ortega-Sánchez,Esther Sanz De La Cal,Jaime Ibáñez Quintana,Eduardo Encabo-Fernández,2025-04-01 Despite the difficulties in defining the concept of controversial issue it can be stated that it has general characteristics based on the integration of conflicting values and interests on the presence of individual or social sensitivities and on the potential generation of emotions Its approach leads to multiple solutions open to discussion such as climate change terrorism or war From the theoretical principles of education for global citizenship the development and acquisition of social competences aimed at providing solutions to contemporary controversial issues is expected The didactic treatment of these contents favors the contrast of argued perspectives elective rationality in decision making in controversial or problematic contexts and social commitment as an inherent part of the democratic process

Research in Personnel and Human Resources Management Joseph J. Martocchio,2008-07-25 Contains seven papers on various issues in the field of human resources management *A History of Bristol County, Massachusetts* Frank Walcott Hutt,1924 **The World's History: Pre-history. America and the Pacific ocean** Hans Ferdinand Helmolt,1901

Philippine Labour Migration Joaquin Lucero Gonzalez,1998 There are currently more than six million Filipino workers in over 120 countries in jobs ranging from maids to managers The Philippine Government has encouraged the manpower exodus to absorb the country s surplus labour and to bring foreign exchange earnings into the Philippine economy However non governmental organizations have argued that social dysfunctions associated with working abroad have not been adequately addressed Using an analytical framework that blends multiple stakeholders perspectives the author assesses the historical demographic economic social and political dimensions of Philippine labour migration policy from the early 1900s to the late 1990s Focusing on recent issues he provides an integrated evaluation from a public policy perspective balancing

both state and societal viewpoints A separate soft cover edition is available from De La Salle University Press for customers in the Philippines only **The Engaged Historian** Stefan Berger, 2019-04-01 On the surface historical scholarship might seem thoroughly incompatible with political engagement the ideal historian many imagine is a disinterested observer focused exclusively on the past In truth however political action and historical research have been deeply intertwined for as long as the historical profession has existed In this insightful collection practicing historians analyze reflect on and share their experiences of this complex relationship From the influence of historical scholarship on world political leaders to the present day participation of researchers in post conflict societies and the Occupy movement these studies afford distinctive humane and stimulating views on historical practice and practitioners
