Dinah's Daughters:

Fathers and Daughters in the Hebrew Bible Johanna Stiebert, 2013-03-28 This book provides the fullest examination of father daughter depictions in the Hebrew Bible to date While father son depictions are more prominent there none the less exists a broad spectrum of metaphors myths legal texts and narrative accounts featuring daughters alongside fathers When this full range is taken into account instead of like many preceding approaches which have looked at more lurid examples like the narrative of Jephthah's sacrifice of his daughter or Lot's incest with his daughters in isolation it emerges that the daughter is depicted also in very affectionate terms The daughter is not invisible in the Hebrew Bible she emerges as an integral part of the family and occasionally at least as the most cherished and the most deserving of her father's protection

Dinah's Daughters Helena Zlotnick, 2002 This is an important title It will be valuable in graduate level study of Western and Middle Eastern antiquity Choice

'The Real Scriptures' of God James Platter, 2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

Jephthah's Daughter Elma Ehrlich Levinger, 1921

The Ancient Book of Jasher A Bible Book, 2018-07-19 The Book of Jasher is twice mentioned in the Bible In order to distinguish this work from the Pseudo Jasher it carries the title The Ancient Book of Jasher The transcript has been carried out faithfully except for a number of minor amendments It is a shame that in most publications of the Book of Jasher the supportive documents that prove its origin are missing as if evidence that testifies to its veracity is difficult to bear But here they are What is new is a division in sections which makes easy reading You'll find a good Analytical Index and that's always helpful The preliminary remarks made by the present publisher gives a better feel about the authenticity of this truly amazing book that by the way is still being printed in the original Hebrew in a mode of writing that carries the patina of its age
