Dinkum Dunnies Douglass Baglin, Barbara Wanda Mullins, 1979 This book focuses on the flora fauna and the Australian scene found with outhouses and outdoor toilets **The Englishman** J. E. R. Staddon, 2016 Although I have been basically an academic for most of my life the way I got there has taken some surprising turns The first four chapters of this memoir describe what I can remember and discover about my early life an unsuspected ancestry fun in WW2 London comical schooldays and a spell in colonial Africa interrupting a wobbly college career at the end of which I left England for America In the US I followed again a slightly erratic graduate school trajectory that ended up in a Harvard basement The main part of the book is about science my efforts to understand the world opened up for me by biology Darwin the evolving cybernetic revolution and the experimental methods of influential and opinionated behaviorist B F Skinner I have tried to make this part as simple and nontechnical as possible although a couple of graphs have intruded **Here, There and Away** Defence Widows Support Group, 2013-03-01 Here There Away is a unique collection of entertaining stories from the families who support our service men and women Spanning the three branches of the Australian Defence Force this is a literary first The stories cover the period from World War I to more recent times and celebrate the love care and support given by and to members of the wider defence family as well as the resilience required in diverse locations and situations Some stories will tug at the heart strings while others are funny in the extreme Many touch on significant historical events There are a number of stories that will surprise and enlighten all within a gentler context than the normal genre of military history The reader will be left pondering and maybe even enticed to further explore some aspects of Australian military history The stories in Here There Away poignantly depict the ups and downs of everyday life for military families in times of war and peace but they also reflect many aspects of life experienced by the wider community This collection is an important contribution to Australian social and military history and an entertaining and uplifting book for readers of all ages **Dinkum Dunnies of Meredith** Margaret Cooper, 2012 *Pees and Queues* Jenny Hobbs, Tim Couzens, 1999 This book is primarily a view from a South African loo which includes facts figures news items book extracts and anecdotes about conveniences and inconveniences long drops and P K s chamber pots and bidets and a whole range of usage and customs *Catalog of the Schmulowitz Collection of Wit and Humor (SCOWAH)* San Francisco Public Library, 1977 *Sandstone Sydney* Douglass Baglin, Yvonne Austin, 1976 *Water Log*, 1975 *Pinpointer*, 1972 **Australian Books in Print**, 1987 *Sitting Pretty* Julie L.
