Diodorus On Egypt 1 Of Diodorus Siculus Historical Library:

Diodorus Siculus, Books 11-12.37.1 ,2010-01-01 2007 A Choice Magazine Outstanding Academic Book Sicilian historian Diodorus Siculus ca 100 30 BCE is our only surviving source for a continuous narrative of Greek history from Xerxes invasion to the Wars of the Successors following the death of Alexander the Great Yet this important historian has been consistently denigrated as a mere copyist who slavishly reproduced the works of earlier historians without understanding what he was writing By contrast in this iconoclastic work Peter Green builds a convincing case for Diodorus merits as a historian Through a fresh English translation of a key portion of his multi volume history the so called Bibliotheke or Library and a commentary and notes that refute earlier assessments of Diodorus Green offers a fairer better balanced estimate of this much maligned historian The portion of Diodorus history translated here covers the period 480 431 BCE from the Persian invasion of Greece to the outbreak of the Peloponnesian War This half century known as the Pentekontaetia was the Golden Age of Periclean Athens a time of unprecedented achievement in drama architecture philosophy historiography and the visual arts Green s accompanying notes and commentary revisit longstanding debates about historical inconsistencies in Diodorus work and offer thought provoking new interpretations and conclusions In his masterful introductory essay Green demolishes the traditional view of Diodorus and argues for a thorough critical reappraisal of this synthesizing historian who attempted nothing less than a universal history that begins with the gods of mythology and continues down to the eve of Julius Caesar s Gallic campaigns *Rhetorical Adaptation in the Greek Historians, Josephus, and Acts vol.I* John M. Duncan,2022-10-24 Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke s distinctive depiction of the apostles as adaptable yet frequently alienating orators This is volume I of a set of two volumes **Berossus and Genesis, Manetho and Exodus** Russell Gmirkin,2006-05-15 Berossus and Genesis Manetho and Exodus argues that the Pentateuch was written in 273 272 BCE under the patronage of Ptolemy II Philadelphus by the Septuagint scholars drawing on Hellenistic historical sources from the Great Library of Alexandria **The Historical Library of Diodorus the Sicilian** Diodorus (Siculus.),1700

Medieval Healthcare and the Rise of Charitable Institutions Tiffany A. Ziegler,2018-10-13 Medieval Healthcare and the Rise of Charitable Institutions The History of the Municipal Hospital examines the development of medieval institutions of care beginning with a survey of the earliest known hospitals in ancient times to the classical period to the early Middle Ages and finally to the explosion of hospitals in the twelfth and thirteenth centuries For Western Christian medieval societies

institutional charity was a necessity set forth by the religion's dictums care for the needy and sick was a tenant of the faith leading to a unique partnership between Christianity and institutional care that would expand into the fledgling hospitals of the early Modern period In this study the hospital of Saint John in Brussels serves as an example of the developments The institution followed the pattern of the establishment of medieval charitable institutions in the high Middle Ages but diverged to become an archetype for later Christian hospitals

The Bible and Hellenism Thomas L. Thompson, Philippe Wajdenbaum, 2014-09-03 Did the Bible only take its definitive form after Alexander conquered the Near East after the Hellenisation of the Samaritans and Jews and after the founding of the great library of Alexandria The Bible and Hellenism takes up one of the most pressing and controversial questions of Bible Studies today the influence of classical literature on the writing and formation of the Bible Bringing together a wide range of international scholars The Bible and Hellenism explores the striking parallels between biblical and earlier Greek literature and examines the methodological issues raised by such comparative study The book argues that the oral traditions of historical memory are not the key factor in the creation of biblical narrative It demonstrates that Greek texts from such authors as Homer Hesiod Herodotus and Plato must be considered amongst the most important sources for the Bible
